Report on Labour Day

“The best way to find yourself is to lose yourself in the service of others.”

On May 2nd, 2018, School of Education has organized one day camp on Labour day within the campus of Baba Ghulam Shah Badshah University, Rajouri. Many buildings are under construction in the University so instead of visiting others' Institutions, School of Education interacted with the Labourers of the University who are playing important role in the development of University. During lunch break, some faculty members along with the students visited the under constructed sites where laborers were having their lunch.

Faculty members and students interacted with them and appreciated the hard of labour class. Students show their happiness in their visit and spend some quality time by sitting with them. Students also ask many queries about their daily life. They also give a helping hand to them in their work. There were Thirty Students who participated in the camp and made it successful.
