2024-25

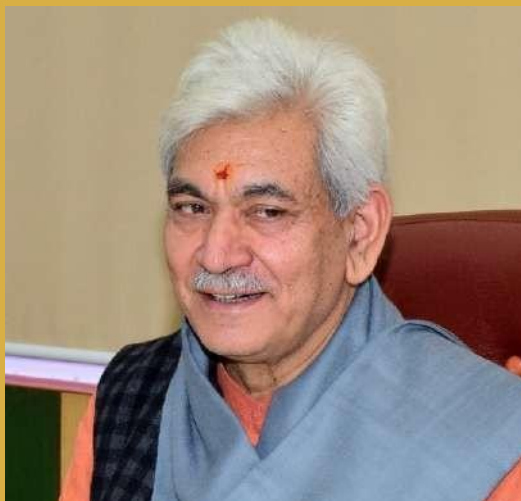

Baba Ghulam Shah Badshah University
Rajouri, Jammu & Kashmir (India)

www.bgsbu.ac.in

Chancellor's Message

Sh. Manoj Sinha
Hon'ble Chancellor

Lieutenant Governor
Jammu & Kashmir

Raj Bhavan
Srinagar -190001

I am happy to learn that Baba Ghulam Shah Badshah University is going to start its new academic session with the admission of many young, inquisitive minds in the University.

Students are the most important component of a University system. Their academic health is the most reliable indicator of the strength of a University.

I believe that the admission process will be conducted in a transparent and planned manner, welcoming a large number of students to join for various courses being offered by the University. The focus should be on bringing together the local students pool along with promising talents from other regions.

I am confident that the academic session would bring many breakthrough developments in the academic field through quality education leading to excellence in all fields, and a purposeful and triumphant stay of the students.

I wish the faculty and incoming students a successful and accomplished year.

Sd/-
(Manoj Sinha)

Vice Chancellor's Message

As a comprehensive academic and research programmes. We have accomplished faculty with Institution, our vision is to serve as an economic, research research papers in high impacted journals , extramural and social catalyst that will become nationally recognized research projects and other academic achievements . We for student and academic success, embracing all students, have nationally recognised teaching departments with including those from under represented categories.. We liberal financial support (DST-FIST) have structured our resources to soon become recognized

as a national model of student success. With faculty and staff that are student-focused, mentors that provide individualized support and affordable degree programs designed for timely graduation, you will be proud to be alumnus of BGSBU.

Established in 2002, the University provides quality education, equipping students with the acumen to address both local and global challenges. Within the short span of its existence, the University has achieved that remarkable success and continues to forge its future with new program initiatives: a modern curriculum, research endeavours, student engagement, professional training, faculty development, national / international collaborations, progress towards a state-of-the-art campus buildings, industry partnerships and much more. The aim of all these initiatives is to make transformative impact on students, faculty, industry and society.

The University community subscribes to the fundamental conviction that education is a catalyst for positive change and the cornerstone for building strong, resilient and enduring communities. The University also instills a spirit of inquisitive professionalism, social consciousness, and deep sense of civic conscientiousness interwoven with a yearning for transformative and impactful outcomes. It provides many opportunities to grow academically, intellectually, socially and as well-rounded human beings. In the process, critical thinking is emphasized, teamwork is promoted, technology awareness is instilled, new veins of knowledge are explored, multi-cultural awareness and empathy are developed, interpersonal competencies are fostered, practical life skills are honed, and an ethical perspective woven into its fabric.

Presently, the University is running 56 programmes and in a short span, the University has many achievements to its credit like organizing National and International Seminars at regular intervals; Research Workshops; Camps, etc., and a series of social outreach

As Vice Chancellor, I am deeply committed to attracting students dedicated to academic excellence, top-notch research, and service to society. Enshrined as the University's objective, it is no less my endeavour to nurture and foster a rich academic and research environment in the University. It is my priority objectives to ensure that gender equity is promoted especially in the STEM disciplines. Increases in Women representation in higher education and research is a much needed strategy that is globally envisioned to be an important cornerstone in comprehensive and inclusive progresses to be made in sciences and research in times to come.

In our mission to contribute to national development, BGSB University has a great potential to stand tall as a center of excellence that will be able to develop confident leaders, independent thinkers and creative entrepreneurs. We focus on professional development of our students in order to equip them with the knowledge and skills necessary to play a leading role in different sectors of the economy and polity.

The supporters of our University in terms of the Government of Union Territory of Jammu & Kashmir, as well as apex grant agencies of the country, as I understand, recognize that the investments made in students, community outreach programs and faculty research will boost our region's growth and prosperity.

Let me assure those who join the University that they shall not just be a student but an important member of the BGSBU family.

Sd/-
Prof. Akbar Masood
Vice Chancellor

Baba Ghulam Shah Badshah University

Vision

“Steady onward march for
human development
through Science and
Technology on one hand
and our national ethos
on the other”

Mission

“Work towards
preparing men and women who
are intellectual adventurers and
not camp followers; who are
architects of the future and not
curators of the past”

The University

Established by the Government of Jammu & Kashmir through J&K Legislative Assembly Act No. XVI of 2002 and recognised by the AICTE and UGC, New Delhi, under sections 2 (f) & 12 (B), Baba Ghulam Shah Badshah University is mandated to impart quality education in Science & Technology, Management, Arts, Social Sciences and Humanities and undertake research in basic and job oriented applied courses.

The University is located at the slopes of Dhanidhar hills, the southern peripheral part of the majestic Pir Panjal mountain range. The unique geographical location in rural setting offers ideal ambience for teaching and learning. The University campus is 9 Kms from Rajouri town (latitude 33° 23' N. longitude 74° 21' E.) at an altitude of 1,178 meters above the mean sea level. The climate of the place varies from subtropical to temperate. Frequent rains, occasional hailstorms and snowfall account for the moderate climate and serene atmosphere of the campus and its neighbourhood.

Special features of the University

- Serene, eco-friendly, pollution-free ambience ideal for pursuing knowledge.
- Residential character with on-campus housing facility for staff and students.
- DELNET facility for use by faculty and students.
- Emphasis on live projects and hands-on training.
- Training in communication skills and personality development.
- Full fledged Placement Cell to link job - seekers with job givers.
- Dedicated faculty and excellent adjunct faculty.
- Guest lectures by scholars from across the world.
- Regular seminars, workshops and conferences.
- Facilitation of grant of scholarships and Educational Loan to needy students.
- University Fellowships for Ph. D. programme.
- Strict adherence to Academic Calendar.
- Choice Based Credit System (CBCS) and Massive Open Online Courses (MOOCs) in place

Amenities for students:

- **Branch Offices:** Besides its main campus at Rajouri, the University also maintains branch offices at Jammu, Srinagar & Kishtwar for liaising with students of these divisions for facilitating their admission, counseling, entrance tests etc.
- **Internet:** All teaching departments are equipped with Internet facility which enables University teachers and scholars, to keep abreast with latest developments in their respective fields of specialisation.
- **Canteen:** The campus has canteens with provision for lunch, tea, soft drinks, snacks etc. Their upkeep, hygiene and quality of service are monitored strictly. The canteens keep open till late hours for benefit of scholars who work late in library and laboratories.
- **Co-curricular activities:** The hilly terrain of the campus provides ideal setting for trekking, hiking, rock climbing and allied activities. For overall personality development, students' participation in quiz programmes, singing, mimicry, debates, poetry recitation and similar other activities is encouraged. The University has a playground and dedicated Students Centre and Gym with provision for outdoor and indoor games.
- **Guest houses:** The university has 2 guest houses, one each at Jammu and Rajouri. While the first two cater to the faculty and University guests in transit, the one at the Campus is used as the Visitors lodge. The construction of one VVIP Guest House is in progress and shall be ready soon.
- **Shopping Mall:** The Campus shopping mall, called the 'Sab Rang Square', and the multi-purpose Student's Amenities Centre meet routine requirements of resident students, at reasonable rates.
- **Bank and Post Office:** A branch of the Jammu & Kashmir Bank with ATM facility has been established on the campus to facilitate bank transactions including educational loans for students. The students also avail the facility of post-office whose timing synchronizes with that of the University.
- **Health Centre:** The University maintains Health centre with qualified Medical Officer and technical & nursing staff. The services of the Doctor and Health centre are provided free to the University students round the clock. The Centre also runs a Pharmacy to cater to specific needs of the sick.
- **Transport facilities:** The University offers paid transport facility to students and University employees from Rajouri town to University Campus and back on first - cum - first -served basis. As a green campus initiative, the University also runs free of cost battery -operated vehicles in the campus.

Pro-Students / Pro-Employees Decisions

- Those orphans, who have lost either both parents or the earning father and survived by a non-working mother, will be entitled to **100% waiver** in the tuition fee in any academic programme in which they are admitted at BGSBU.
- Those orphans, who have lost their earning father and are survived by a working mother, will be entitled to 80% tuition fee waiver.
- In order to incentivize the girl students, two girl's students in order of merit shall be given 50% concession in the tuition fee in all academic programmes / Post Graduate academic programmes with effect from the forthcoming academic session.
- All the Class IV employees of Baba Ghulam Shah Badshah University will be given concession in the tuition fee @ 50% to a maximum extent of two children admitted in any academic programme in BGSBU. However, this incentive will continue if their wards clear all the papers in one go in the previous semester / year of the examination.
- A monthly financial assistance to an amount of Rupees one thousand each (Rs. 1000/- each) in the form of scholarship will be given to the two eldest wards of any deceased employee of the University, the assistance shall continue till their schooling up to 12th standard.

Central Library

The Library works under the supervision of Library Committee of which Vice Chancellor is the Chairman. It is manned by professionals and combines the virtues of classical reading with 21st century technology. It keeps trying new ways to reach out to members to fulfill their information requirement.

Item	Total collection
Books Purchased	40317
Digital Documents	4313
Book received as Gifts (Gratis)	4335
Project Reports /Dissertations	3325
Newspapers	20
Journals & Magazines	86
M. Phil. / Ph. D. theses	180
Online Journals (OA Journals) DOAJ	16000 approx.

BGSB University Library is an Institutional Member of DELNET, a network of more than 7040 member libraries dispersed across the globe maintaining a bibliographical data base of more than 30 million documents which member Libraries can access on inter-library loan basis. With access to eight databases of UGC-Infonet along with access to J- Gate, the library members can access nearly 6000 online journals on varied subjects. The Ph.D. Doctoral degree awarded by the University can be accessed at Shodganga the repositories of Ph. D. theses maintained by UGC-INFLIBNET. Bibliographic details of the library holdings are maintained with DELNET and INFLIBNET and can be accessed globally at their respective sites. With the view to facilitate members to have access to some other important online sources of information, a good number of sources have been federated on the library website accessible at <https://sites.google.com/site/clbgsbu/>.

The Library extends Plagiarism detection services on Urkund software to Library Members. Of late, the library has switched over its automation and circulation services on KOHA software as well alongside SOUL Software which is also used to provide Online public access catalogue service.

Training & Placement Cell

The University has made training and placement integral parts of its educational programmes. For this purpose the University has fulfilled Placement Cell with a Training Placement Officer who organizes training activities round the year, coordinates with the corporate sector, prepares prospective job - seekers and facilitates Campus selection. Realizing the role the Placement Cell has been playing in making our product industry - ready and employable, the University is trying to expand and upgrade it to Centre for Employability Skills Development, with the long term aim of raising it into Skills Capital of Jammu & Kashmir. To make them employable students are imparted requisite knowledge in the area of their specialization, necessary skills and right aptitude (KSA). They acquire knowledge through formal teaching-learning process. Skills and aptitude are honed by professionals in skills development. The budding professionals are helped to become clear, correct and confident in their oral and written communication.

Key activities undertaken by the Centre

- i. Organizes Personality Enhancement Workshops, Group Discussions, Mock Interviews and other activities that prepare students for corporate sector.
- ii. Provides career consultancy to students of non-professional streams.
- iii. Organizes regular visits of students to industrial houses as part of Campus to Corporate programme.
- iv. Arranges Campus recruitment for summer training which provides first hand knowledge about corporate world and prepares students for final placements.
- v. Assists students in getting on-the-campus placements by inviting national and multinational companies for on - campus interaction, interviews and selection.
- vi. Organizes workshops on Rêsume writing.
- vii. Some past recruiters of our product include Berkley Bank, IDBI, Fortis, ICICI, Kotak Mahindra, IBM, Perot Systems, JPH Technologies, Global InfoTech, L&T Infotech, Tech. Mahindra, Wipro, Tech. Aspect, Axis Bank, Bureau Veritas, Inficom Solutions, Aquatronics, SEBIZ, Surya Wires etc.
- viii. Organizes on - campus and off - campus Placement Drives.

Reservation of Seats in UG & PG teaching programmes

S.No.	Categories	Reservation in %age	
(i)	Open Merit Category	50%	
(ii)	Reserved Categories		
	(a) Scheduled Caste (SC)	8%	
	(b) Scheduled Tribe (ST)	20%	
	<i>i. 1. Bakarwal 2. Balti 3. Beda 4. Bot, Boto 5. Brokpa, Drokpa, Dard, Shin 6. Changp 7. Garra 8. Gaddi 9. Gujjar 10. Mon 11. Purigpa 12. Sippi; (existing list as per the Constitution (Jammu and Kashmir) Scheduled Tribes Order, 1989 and the Constitution (Scheduled Tribes) Order (Amendment) Act, 1991).</i>	10%

The Department of Computer Science imparts quality education and also conducts research in cutting edge technologies in Computer Applications. The Department has produced 14 batches of MCA so far. Many passouts are holding important positions in Information Technology industry in the country. Teaching is imparted through well-designed, industry-oriented curriculum which is right blend of class room teaching, lab work, guest lectures and software development projects. On account of its futuristic outlook, the MCA programme has earned recognition and obtained liberal grants from AICTE. The Department has also introduced Choice Based Credit System (CBCS) in which the students have a choice to choose from the prescribed courses. The basic idea is to look into the needs of the students so as to keep upto date with development in higher education in India and abroad. The CBCS aims to redefine the curriculum keeping pace with the liberalization and globalization of Education.

The Department has introduced five year Integrated MCA Programme apart from one year Advanced Diploma in Machine Learning. The Department also offers Ph. D. programme in emerging fields of Computer Science and runs short term Certificate courses in Hardware & Maintenance, Computer Networking, Dot Net Technologies and Java Programming. The Department has an efficient Computer Maintenance Wing (CMW) that provides technical assistance to all the Departments / Sections of the University.

The Department has state-of-the-art laboratories with high end blade servers & workstations and a 24- hours dedicated high speed optical fibre internet connectivity of 1Gbps bandwidth. The faculty is well qualified, dedicated and highly motivated. The students receive intensive training on latest and stand alone PCs and workstations, which, coupled with dedicated trainers, provides an ideal platform for producing competent Professional Software Developers, IT Managers and Computer Engineers for the IT-industry. Through the Training and Placement Cell, liaison is maintained with various government and industrial organizations to facilitate employment of the passouts, who are trained in communication skills, oral presentation, personality attributes and other requirements of the corporate world.

Academic Activities

One week Faculty Development Programme on Cyber Security in Digital Era (FDPCSD-2021) organized by Department of Computer Sciences, Baba Ghulam Shah Badshah University, Rajouri, J&K from August 23rd, 2021 to August 27th, 2021.

One Day Webinar on "Application of Cognitive Technologies in Insudtry 4.0" organized by Department of Computer Scieinces, BGSB University, Rajouri on 18th September 2021.

One week Faculty Development Programme on Scientific Writing using Latex (FDP- Latex-2020) organized by Department of Computer Sciences, Baba Ghulam Shah Badshah University, Rajouri, J&K from October 5th, 2020 to October 9th, 2020.

The faculty published research papers in various refereed journals and participated in conferences/seminars/workshops/refresher courses organized in this University and in other Universities of the country.

AICTE recognized Short Term Course on 'Application development using Angular Java' through ICT organized by National Institute of Technical Teachers Training and Research, Chandigarh and conducted by Computer Sciences Department, Baba Ghulam Shah Badshah University, Rajouri, J&K from February 25th, 2019 to March 1st, 2019.

Pass outs of the Department have found placements in CS Infotech (Chandigarh), HDFC Bank, Micro Web Technology, CS Soft Solutions, Universities & JPH Technologies.

Many pass outs are placed in Higher Education Department and are working as Assistant

Professors in various colleges of the J&K State.

Many students have also cleared UGC NET/SLET Examination.

Integrated MCA

Integrated MCA programme is a five years prestigious program which is listed amongst AICTE approved programs. The course provides a sound practical skill that is required by leading software industries. This programme is streamlined in a way to meet the demand for qualified experts in the field of Computer Sciences. This programme is slanted more towards Application Development and has more accentuation on the most recent programming dialects and instruments to grow better and quicker applications. The main objective of the integrated programme is to eliminate any types of barriers among industry and academia. The Students enrolled for Integrated MCA have the option to exit after three years with BCA degree or continue and receive Integrated MCA degree.

Intake : 25

Eligibility for Admission

10+2 in any discipline.

Candidates appearing in the Higher Secondary Part-II (12th) Examination and those whose result of the same is awaited can also apply provisionally.

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee Structure

Rs 14,500/- for 1st to 6th semesters and Rs 22,600/- for 7th to 10th semesters to be paid at the start of the respective semesters.

Masters in Computer Applications (MCA)

Masters in Computer Applications (MCA) is full time, 4 semesters, resident programme. MCA degree is awarded to students who attend and pass 15 theory and 6 laboratory courses and undertake major project work in public or private sector institutions to acquire real-life practical training which helps them in finding proper placement. The course offers choice to students for selection of Elective courses in 2 Semesters.

MCA 354	Web Technologies Elective -II

Lab Courses

MCA 381	Lab 5: Python Programming
MCA 382	Lab 6: Web Technologies

List of Elective - II

MCA 355	Data Warehousing & Data Mining
MCA 356	Wireless & Mobile Communication
MCA 357	Bio Informatics

MCA 358	Systems Software
MCA 359	Cryptography & Network Security
MCA 360	Big Data Analytics
MCA 361	Internet of Things
MCA 362	Natural Language Processing
MCA 363	Android Application Development
MCA 364	Research Methodology

Semester IV

Course Code	Course Title
MCA 451	Major Project (Industrial / Research) a) Project Problem Identification & seminar b) Dissertation c) Presentation d) Viva-voce

Intake : 35

Eligibility for Admission

- Bachelors' degree (10+2+3 pattern) in any discipline or any other degree recognized equivalent thereto from a recognized university.
- Candidates appearing in the Final year of the qualifying examination and those whose result of the same is awaited, can also apply provisionally.

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee Structure

Rs 22,750/- per semester to be paid at the start of the respective semester.

Doctoral Programme

The Department runs Ph. D. programme in Computer Sciences. For details regarding admission to these programmes, refer Chapter Research programme of Admission Prospectus. At present, research is being carried out in the fields of Data Sciences, Machine Learning, Natural language Processing, Wireless Sensor / Adhoc Networks and Internet of Things. The Department has produced five Ph. D.'s. Admission to Ph. D. Programme will be notified subject to availability of seats.

The Department has started one year advanced Diploma course in Machine Learning. This course is designed keeping in view the need of industry to employ the personnel with in-depth knowledge and skills required by Machine Learning fields around the globe. The emphasis is on machine learning algorithms and applications, with some broad explanation of the underlying principles, pertaining the requirements of the IT industry and R&D. It will provide a comprehensive knowledge about the fundamental Principles, Methodologies and Industry practices in Machine Learning.

Advanced Diploma in Machine Learning is a two semester whole time programme and offers choice to students for selection of Elective courses both in theory and laboratory courses in second semester. This Advanced Diploma will be awarded to students who pass 04 theory, 03 laboratory courses and a minor project work.

Course Curriculum

Semester I	
Course Code	Course Title
ADML 111	Linear Algebra & Statistical Analysis for Machine Learning
ADML 112	Principles of Machine Learning
Lab. Courses	
ADML 151	Machine Learning with Python (Python Programming Lab.)
ADML 152	Machine Learning with R (Programming Lab.)

Semester II	
Course Code	Course Title
ADML 211	Advances in Machine Learning
Elective*(Opt. any one)	
Lab. Courses	
ADML 251	Lab. 3 Minor Project
Elective**	(Opt. any one)

Elective*	(Opt. any one)
Course Code	Course Title
ADML 212	Big Data Analytics
ADML 213	Natural Language Processing
ADML 214	Machine Learning for Health Care
ADML 215	Machine learning for Agriculture
ADML 216	Artificial Neural Networks

Elective**	(Opt. any one)
Course Code	Course Title
ADML 252	Machine Learning using WEKA
ADML 253	Machine Learning using MATLAB
ADML 254	Machine Learning using SAS (Statistical Analysis Software)
ADML 255	Scala Programming
ADML 256	Ruby Programming
ADML 257	Advanced Java Programming

Intake : 10

Eligibility for Admission

- B.E. / B.Tech. / B.Sc. (IT / Computer Science / Electronics / Electrical), BCA.
- 3 - Year Diploma (IT / Computer Science / Electronics).
- PGDCA, DOEACC A, B, C level or equivalent.

Selection shall be made on the basis of the total marks secured by the candidates in qualifying examination.

Fee Structure Per Semester : Rs. 5,400/-

Note: Above programme will run if, the minimum number of students admitted is at least 05.

Department of Information Technology

The Department of Information Technology is a flagship Department under the School of Mathematical & Computer Sciences having an up-to-date curriculum, well trained faculty and excellent infrastructure. The Department is committed to develop highly skilled Information Technology (IT) professionals, capable of meeting the ever-changing and increasing needs of the IT industry.

The Department is presently offering a two year Post Graduate programme leading to the Master's Degree in Information Technology (M. Sc. IT). It prepares skilled human resource in such prime areas as Systems Administration, Web based Technology, E-Business etc. So far, the Department has produced 11 batches of M. Sc. IT and most of them are highly placed in Government & reputed organizations within and outside India. Every Masters level student is required to pass 16 theory and 6 Lab. Courses. The final semester includes project work which provides exposure to real-life practical training to young learners, helps them adjust to corporate working and prepares them for finding suitable placements.

The outlook of the students is improved by training them in Soft Skills, Oral expression and such other traits as are essential for corporate working. This part of the programme is handled by professionals in the University Placement Cell which is supplemented by external support from time to time.

All laboratories of the Department are linked through wired and wireless Networking. Computing facility and Internet Services are available round the clock. The Department maintains well equipped laboratories with high end workstations and blade servers for separate computing platforms enabling students to work with latest technologies. The Department plans to diversify and expand its activities in the years to come.

To boost research, the Department has been granted one Research Chair in the name of Maulana Azad Chair for Advancement of Information Technology in Rural India.

Academic Activities

- Research Programmes leading to Ph.D. in Information Technology which are the first ever Research Programmes in Information Technology by any University in the J&K State.
- National Seminar on Advancement in Computing & Informatics (Webinar) July, 2020.
- Organized National Seminar on Data Sciences & Artificial Intelligence.
- Faculty members and research scholars have published their research work in various reputed Journals with high impact factor and Conferences.
- National Seminar on Advancement in Computing & Informatics (Webinar) July, 2020.
- Artificial Intelligence and Machine Learning- Emerging trends and Applications (Webinar) Oct, 2021.

Course Curriculum

Semester I

Course Code	Course Title
MIT 151	Programming & Problem Solving using C
MIT 152	Operating System
MIT 153	Discrete Mathematics
MIT 154	Digital Electronics

Lab Courses

MIT 181	C-Programming Lab
MIT 182	IT Skills Lab

Semester II

Course Code	Course Title
MIT 251	Data Structures
MIT 252	Object Oriented Prog. with Java
MIT 253	Data Comm. & Networking
Choice Based Open Elective Courses (Any one of the following)	
Math 231	Mathematical Tools for Real World Problems
IT 232	IT Soft Skills
Bio 233	Fundamentals of Biotechnology
Bot 234	Mysteries of Green Plants
Bot 235	Mushroom Cultivation
Zol 236	Nutrition, Health & Hygiene
Arb 237	Fundamentals of Arabic Lang.
UR 238	Fundamentals of Urdu Lang.& Lit.
IS 239	Islamic Religious Sciences
EVS 240	Environment & Social Issues
Eng 241	Applied English
Edu 242	Higher Education
Eco 243	Principles of Banking
MCA 244	Computer Appl. & Operations
HT 245	Basics of Tourism & Travel Agencies
Mgt 246	Business Communication

Department of Mathematical Sciences

The Department of Mathematical Sciences is one of the five Departments that the University launched at its inception way back in the year 2005. The Department offers Post Graduate and Research Programmes.

The Post Graduate programme is of two years duration consisting of four semesters. The first three semesters are fully devoted to theory and lab. courses where as the fourth semester is partially devoted to execution of project work to train students in problem identification and solving. The Programme includes courses based on core areas such as Algebra, Topology, Functional Analysis, Complex Analysis, Measure Theory, Operator theory etc., on one hand and applied areas such as Differential Equations, Approximation Theory, Wavelets, Graph Theory, Theory of Relativity etc., on the other hand. The programme also includes some technical / skill based courses such as MATLAB, LATEX, SPSS, Communication, Accountancy etc., so that the students become capable of utilising the latest available technology as well.

The Department maintains rich library, which is being liberal funded by the National Board of Higher Mathematics, and a well equipped computer lab.

Masters in Mathematics

Semester I

Course Code	Course Title
MS 131	Topology and its Applications
MS 132	Techniques in Differential Equations
MS 133	Real Analysis
MS 134	Applied Numerical Analysis
MS 135	Computer Fundamentals and C-Programming
MS 136	Set Theory
MS 137	Lab Course on MS 135

Semester II

Course Code	Course Title
MS 231	Numerical Linear Algebra
MS 232	Functional Analysis with Applications
MS 233	Abstract Algebra with Applications
MS 234	Complex Analysis with Applications
MS 235	Elements of Accountancy

Choice Based Open Elective Course (Any one of the following)

Math 231	Mathematical Tools for Real World Problems
IT 232	IT Soft Skills
Bio 233	Fundamentals of Biotechnology
Bot 234	Mysteries of Green Plants
Bot 235	Mushroom Cultivation

Zol 236	Nutrition, Health & Hygiene
Arb 237	Fundamentals of Arabic Language
UR 238	Fundamentals of Urdu Language & Literature
IS 239	Islamic Religious Sciences
EVS 240	Environment & Social Issues
Eng 241	Applied English
Edu 242	Higher Education
Eco 243	Principles of Banking
M CA 244	Computer Applications & Operations
HT 245	Basics of Tourism and Travel Agencies
Mgt 246	Business Communication
ECG 247	Introduction to Gojri Language & Literature
ECP 248	Introduction to Pahari Language & Literature
ECK 249	Introduction to Kashmiri Language & Literature
IS 250	Spirituality & Islam
JKCT 252	Culture & Traditions of J&K
Lab Course	
MS 236	Matlab.

Semester III

Course Code	Course Title
MS 331	Advanced Topics in Topology
MS 332	Theory of Operators
MS 333	Advanced Complex Analysis
MS 334	Environmental Science

Lab Course

MS 335	Lab course on LATEX
--------	---------------------

Choice based Complementary Electives (Students are required to choose any two of the following courses)

MS 336	Differential Geometry
MS 337	Number Theory
MS 338	Module Theory
MS 339	Wavelet Theory
MS 340	Calculus in \mathbb{R}^n
MS 341	Abstract Measure Theory and Integration
MS 342	Theory of Partial Differential equation
MS 343	Graph Theory

Semester IV

Course Code	Course Title
MS 431	Dissertation/ Major Project
MS 432	Technical Communication
MS 433	Lab Course on SPSS

Choice Based Complementary Elective Courses (Any three of the following courses)

MS 434	Complex Dynamics
MS 435	Banach Algebras
MS 436	Advanced Functional Analysis
MS 437	Tensor Analysis and Riemannian Geometry
MS 438	Algebraic Topology
MS 439	Theory of Fields
MS 440	Spaces of Analytic Functions
MS 441	Algebraic Geometry
MS 442	Theory of Relativity
MS 443	Commutative Algebra
MS 444	Theory of Integral Equation
MS 445	Approximation Theory

Intake : 65

Eligibility for Admission to the post graduate programme in Mathematics:

- Bachelors' degree of 10+2+3 pattern with Mathematics as one of the subjects or any other degree recognized equivalent thereto from any recognized university.
- Candidates appearing in the Final Year Examination of the qualifying degree or those whose result of the same is awaited, can also apply provisionally.

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee Structure

Rs 22,750/- per semester to be paid at the start of the respective semester.

Ph. D. Programme

The Department is running Ph. D. Programme (Mathematics / Applied Mathematics) with a view to promote original thinking and creativity among students. The procedure for admission and eligibility for admission to this programme are given in Chapter 'Research programme'.

Faculty	Designation	Qualification

Department of Physics
M. Sc. Physics
Ph. D.

Department of Physics

Physics is the natural science that involves the study of matter and its motion and behavior through space and time, along with related concepts such as energy and time. The boundaries of Physics are not rigidly defined. It intersects many interdisciplinary areas of research, such as biophysics and quantum chemistry. Physics makes significant contributions by advancing new technologies through theoretical breakthroughs. Understanding of electromagnetism and nuclear physics have led to the development of products, such as television, Computers, domestic appliances and nuclear weapons that have dramatically transformed modern-day society. Advances in thermodynamics led to industrialization and advances in mechanics inspired development of calculus.

In recognition of the role Physics has played and is likely to play in taking mankind forward, United Nations named 2005 the World Year of Physics.

The University has launched Masters programme in Physics to provide avenues of higher studies in Physics to graduates based out by colleges which are spread over the twin districts of Rajouri and Poonch in particular and the country as a whole.

Course Curriculum

Semester I

Course Code	Course Title

- Department of Electronics & Communication Engineering
- Department of Electrical Engineering
- Department of Information Technology & Engineering
- Lateral Entry to B.Tech.

Ph. D.

- Department of Civil Engineering
- Department of Electrical Engineering
- Department of Electronics & Communication Engineering
- Department of Information Technology & Engineering

The University has unique distinction of having established the first Centrally funded Polytechnic in collaboration with the J&K UT Government. The need of Polytechnic was felt on account of non-availability of any such institute in the region at that time which could meet the great market demand for skilled middle level engineers. Many young school passouts who do not have the means or aptitude to pursue higher studies run from pillar to post in search of vocational training to acquire some skill for making a living. The skilled work force that the University Polytechnic is generating is meeting this demand.

The Polytechnic imparts technical education through Diploma courses in :

- Electronics & Communication Engineering
- Electrical Engineering
- Mechanical Engineering
- Civil Engineering

Each Diploma course is of 3 years duration, consisting of 6 semesters during which training is provided through classroom lectures, laboratory work and workshop practice. Hands-on training is imparted to students during Summer training and execution of project work during the last two semesters.

Vision

To emerge as a benchmark in offering technical education by producing professionals, capable to take up the challenges and serve the society for human development.

Mission

- To impart value based technical education.
- To develop a conducive for learning technical skills.
- To nurture students with quality education for carrying highest studies in Engineering.
- To prepare the students for self employment and Industry IV Revolution.

Course Curriculum for Diploma Engineering

The Curriculum of first two Semesters is mostly common to all four Streams. Diversification starts in Semester III.

Course Curriculum

Semester I

Course Code	Course Title
ECE/CE/ME/EE 101	English & Communication Skills - I
ECE/CE/ME/EE 102	Applied Mathematics - I
ECE/CE/ME/EE 103	Applied Physics - I
ECE/CE/ME/EE 104	Applied Chemistry - I / Electronics Components & Materials
ECE/CE/ME/EE 105	Engineering Drawing - I

Lab. Courses

ECE/CE/ME/EE 111	English & Communication Skills - I
ECE/CE/ME/EE 112	Applied Physics - I
ECE/CE/ME/EE 113	Basic Information Tech. /Applied Chemistry - I
ECE/CE/ME/EE 114	Engineering Drawing - I

ME 311	Thermodynamics - I
ME 312	Applied Mechanics
ME 313	Elements of Electrical & Electronics Engg.
ME 314	Workshop Technology - I
ME 315	Material Science
ME 316	Mechanical Engineering Drawing - I
ME 317	Ecology & Environmental Awareness Camp

Semester IV

Course Code	Course Title
ME 401	Metrology and quality Control
ME 402	Thermodynamics - II
ME 403	Strengths of Materials
ME 404	Workshop Technology - II
ME 405	Generic Skills & Entrepreneurship Development
Lab. Courses	
ME 411	Metrology and quality Control
ME 412	Thermodynamics - II
ME 413	Strengths of Materials
ME 414	Workshop Technology - II
ME 415	Mechanical Engg. Drawing - II
ME 416	Entrepreneurial Awareness Camp

Semester V

Course Code	Course Title
ME 501	Production Management
ME 502	Theory of Machines
ME 503	Hydraulics & Hydraulic Machines
ME 504	Manufacturing Technology
Lab. Courses	
ME 511	Hydraulics & Hydraulic Machines
ME 512	Manufacturing Technology
ME 513	Computer Aided Drafting & Drawing
ME 514	Minor Project Work
ME 515	Industrial Training Vacations after 4 th Semester
ME 516	Personality Development Camp

Civil Engineering

Semester III

Course Code	Course Title
CE 301	Fluid Mechanics
CE 302	Applied Mechanics
CE 303	Surveying - I
CE 304	Construction Materials
CE 305	Building Construction

Lab. Courses

CE 311	Fluid Mechanics
CE 312	Applied Mechanics
CE 313	Surveying - I
CE 314	Construction Materials
CE 315	Civil Engineering Drawing - I
CE 316	Ecology and Environmental Awareness Camp

Semester IV

Course Code	Course Title
CE 401	Concrete Technology
CE 402	Water Supply & Waste Water Engg.
CE 403	Surveying - II
CE 404	Structural Mechanics
CE 405	Generic Skills & Entrepreneurship Development

Lab. Courses

CE 411	Concrete Technology
CE 412	Water Supply & Waste Water Engg.
CE 413	Surveying - II
CE 414	Structural Mechanics
CE 415	Civil Engineering Drawing-II
CE 416	Entrepreneurial Awareness Camp

Semester V

Course Code	Course Title
CE 501	Reinforced Concrete Design
CE 502	Highway Engineering
CE 503	Railways, Bridges and Tunnels
CE 504	Soil and Foundation Engineering
CE 505	Irrigation Engineering

Lab. Courses

CE 511	Highway Engineering
CE 512	Soil and Foundation Engineering
CE 513	Computer Applications in Civil Engg.
CE 514	Survey Camp
CE 515	Minor Project Work (Industry oriented)
CE 516	Personality Development Camp

Semester VI

Course Code	Course Title
CE 601	Steel Structures Design
CE 602	Earthquake Resistant Building Construction
CE 603	Quality Surveying & Valuation
CE 604	Construction Management & Accounts
CE 605	Repair and Maintenance of Buildings

Lab. Courses

CE 611	Structural Drawing
CE 612	Major Project Work
CE 613	Student Centred Activities

Intake in each stream : 60

Eligibility for Admission

- Secondary School (Matriculation) Certificate from any recognized Board of School Education.
- Candidates appearing in the qualifying examination and those whose result of the same is awaited can also apply provisionally.

Procedure for Admission

- Admission to Diploma Engineering courses for University quota shall be made on the basis of Merit in the qualifying examination.

Fee Structure

In each stream, 40 seats shall be filled as per the fee decided by Government of JKUT and 20 seats shall be filled as per University Fee @ Rs 4,600/- per semester to be paid at the start of the respective semester.

Lateral Entry to Diploma Engineering

The University offers lateral admission to Diploma Engineering in 3rd semester to Industrial Training Institute (ITI) passouts in the following streams :

- **Civil Engineering**
- **Electrical Engineering**
- **Mechanical Engineering**
- **Electronics & Communication Engineering**

Eligibility for Admission : 10th pass with two years ITI Course in the relevant or allied branch or 12th pass with Physics, Chemistry & Mathematics / Biology (Medical / Non Medical).

S.No.	10 th Pass + 2 years ITI experience	Desired Branch
1.	Draftsman Civil, Building Constructor (ITI Mason)	Civil Engineering
2.	Draftsman Electrical	Electrical / ECE
3.	Draftsman Mechanical / Fitter / Instrument Mechanic / Machinist / Mechanic Refrigeration and Air conditioner / Turner / Mechanic Motor Vehicle	Mechanical Engineering
4.	Electrician / Electronic Mechanic / Information Technology & Electronics System Maintenance / Mechanic Medical Electronics / Mechanic Consumer Electronics / Mechanic Industrial Electronics	E&C Engineering / Electrical Engineering
5.	Mechanic Radio and TV / Mechanic Computer Hardware	E&C Engineering
6.	10 + 2 pass (Medical / Non Medical)	Any appropriate Branch

Procedure for Admission : The admission shall be made on the basis of marks secured in qualifying examination.

Intake: Number of vacant seats out of total sanctioned intake of 60. In case there are no vacant seats available the 15% of total sanctioned intake, which will be 15% of 60 = 9.

Fee structure: Course fee will be the same as charged from 3rd semester students initially admitted in the year 2023 under BGSBU.

Vision

- To impart technical education and promote state-of-the-art research through cutting edge technologies that produce competent engineers and scientists of the contemporary world to serve the society while upholding the national Ethos.

Mission

- To Create a learning ambience that stimulate the students to enhance and improve their educational experience and technical skills in order to prepare them to work in a globally competitive environment in
- To provide state-of-the-art research and academic facilities to attract and retain qualified and competent faculty for enrichment of research and academic activities.
- To impart students with knowledge and skills and inculcate values that will enable them to excel in continuously changing world. The intent is to prepare each student realize his/her full potential as a human being.
- To provide state-of-the-art research and academic facilities to attract and retain qualified and competent faculty for enrichment of research and academic activities.

B. Tech. Programme

The University trains young men and women for careers in engineering. It offers learning environment to nurture talent and endeavors to promote innovation and develop professionalism in students. The School comprises five Engineering Departments which are listed below. All these are striving to become Centres of excellence by initiating research and promoting consultancy services.

- Department of Civil Engineering
- Department of Computer Science & Engineering
- Department of Electronics & Communication Engineering
- Department of Electrical Engineering
- Department of Information Technology & Engineering

The B. Tech. programmes of the University aim at generating technology enabled trained manpower to serve as engineers and successful entrepreneurs. Such gainfully employed young men and women will usher in economic transformation in the state. All B. Tech. programmes are approved by the All India Council of Technical Education (AICTE). Besides the general amenities available to all University students, the School of Engineering & Technology offers some extra amenities to its students which include:

Facilities Available:

School Library: The library has a large collection of engineering books, journals and newspapers. A separate Book Bank has been established which provides prescribed text books to students, particularly those belonging to socially disadvantaged classes.

Hi-Tech. Class rooms and Labs: Class rooms have latest infrastructure such as digital devices, OHP, etc. required for presentations. All laboratories are fully equipped for carrying out prescribed lab. work. The laboratories are modernized and at par with the expectations of the industry.

State-of-the-art Smart Class Rooms: In order to conduct on-line teaching programmes based on MOOCs courses, the college has established state-of-the-art smart class rooms equipped with wi-fi enabled interactive boards and video conferencing facilities.

MOOCs: Each student has to compulsorily pass two non-credit massive open online courses (MOOCs) under SWAYAM platform during four-year Engineering programme.

Industrial Relations: In order to focus on interaction with industry, an exclusive cell, called the Industry Institute Partnership Cell, has been set up which is the focal point of sustained relationship with industry for:

- consultancy programmes,
- industry specific training programmes,
- mentorship programme for students by Industry experts, and
- guest lectures and industrial visits.

Career Counseling & Placement Cell: The College has a separate Training & Placement Cell that helps students to achieve their goals. The Cell functions in tandem with the Centre for Enhancement of Employability Skills of the students.

World Bank / MHRD funded TEQIP III programme: The SoET has been sanctioned a handsome grant to improve the infrastructural facilities and achieve academic excellence in teaching & research. Under this programme, the following provisions have been made:

- (i) All the laboratories have been refurnished with the state-of-the-art equipment to conduct teaching & research in recent cutting-edge areas.
- (ii) Financial support for participation in Conference / Seminars / Workshops / Training programmes to students and the faculty.
- (iii) GATE Examination fee of students is being reimbursed by the University.
- (iv) GATE Coaching for 7th semester B.Tech. students is being conducted by highly Professional Experts with no fee being charged from students.
- (v) Employability Skill Test is arranged to assess the employability skill of each students and based on the assessment of strength and weakness of each student, the Employability Skill Training programme is being conducted to make each student acquire employability skill to become competitive in job market.
- (vi) Industry- Interaction and Internship Training programme are being conducted and all related expenditure are being reimbursed to students.
- (vii) Regular lectures by Captains of Industry and eminent academicians are being organised to keep the students updated with frontal areas of Engineering & Technology.
- (viii) Innovation Cell, Start-up Cells and Tinkering Labs. have been established to convert new innovations into prototype.

Department of Civil Engineering

The Civil Engineering was established in the year 2008. Initially the Department was working as support for other engineering branches and offered courses like Engineering Mechanics, Engineering Graphics and Strength of Materials, etc. for the first year students. The Department offers B.Tech. and Ph.D. programmes in Civil Engineering. The objective of B.Tech. programme in Civil Engineering is to provide the students good understanding of civil engineering solutions in a global, societal and environmental context, consistent with the principles of sustainable development. The course will make the students capable of identifying, formulating and solving civil engineering problems that meet specified performance, cost, time, safety and other equality needs and objectives with professional and ethical responsibility.

Facilities in the Department

Hydraulic & Hydraulic Machines Lab, Survey Field Work, Drawing Lab, Material Testing Lab, Structural Analysis Lab, Environmental Lab, Geo Technical Lab, Transportation Lab, CAD & Design Project Lab, GATE preparation classes, MoU with different industries

Vision

To produce Engineers having professional and leadership qualities to take up challenging assignments in Civil Engineering and allied fields in order to serve the society with high moral and ethical values.

Mission

- To produce highly competent Civil Engineers ready to participate in Industry-IV revolution.
- To promote quality education, cutting edge research and consultancy in Civil Engineering to contribute for society and nation building at large.
- To inculcate managerial skills, entrepreneurship and leadership qualities with high moral and ethical values.

Department of Computer Science & Engineering

The Department of Computer Science and Engineering at the School of Engineering & Technology was started in 2007. The aim of the Department is to strive for better and best accomplishment, so that students become responsible citizens, competent professionals and leading innovators. The Department is contributing to the social needs of the society and ensuring sustainable development of the nationally as well as globally.

The curriculum is designed in such a way that students are well equipped to understand and tackle problems from industry and academia. Most of students go for internships at various companies during their summer vacations.

Vision

To be a centre of excellence for providing a conducive educational environment in order to make students competent computer professionals, leading innovators, and responsible citizens.

Mission

- To provide quality education to meet the needs of profession and society.
- To be one of the leading Computer Science and Engineering Department in the state.
- To connect the Peer Panjal region to urban India via technology-centric computer skills.
- To encourage students to be self-motivated, innovative and problem- solver so as to become a successful entrepreneur.
- To provide a cordial environment to the faculty, in order to utilize their mettle.

Department of Electronics & Communication Engineering

The Department of Electronics & Communication Engineering, established in the year 2007 as one of the core Departments of the School of Engineering & Technology, is concerned with the design, development and application of electronic devices, circuits and systems. The Department currently runs B. Tech. and Ph.D. Programme in Electronics & Communication Engineering. The Department imparts practical learning among the students to make them aware about the latest technological advances in the field of electronics and communication engineering.

Vision

To be a premier Department in the field of Electronics and Communication Engineering that produces competent professionals, endowed with high quality knowledge and skills for the well-being of society.

Mission

- To enrich young minds with the advances in Electronics and Communication Engineering in order to address real time problems while considering the technical, environmental and socio-economic issues.
- To empower students with state of the art technologies to cope with ever emerging industry challenges.
- To impart leadership skills and professional ethics to students in order to apply technology for the betterment of society.
- To build the foundation based on technical and analytical skills for pursuing advanced degrees.

The Department of Electrical Engineering (EE) is constituent Department of School of Engineering & Technology (SoET) and has become one of the premier learning Department in the field of Electrical Engineering. More than 200 future engineers from different parts of the Country are currently enrolled. Various Workshops, Seminars, Industrial interactions, Short-Term Courses, etc. are held in the Department throughout the year involving academic and industry experts.

The Department offers B.Tech. And Ph.D in Electrical Engineering

Vision

To become front-runners in bringing out globally competent Electrical Engineers, innovators, researchers and entrepreneurs to address the challenges of the millennium.

Mission

- To provide the state of art teaching learning facilities to the students and faculty members aligned with changing industrial needs.
- To train young minds with profound knowledge and positive mind set.
- To create niche of research minded engineers, researchers and entrepreneurs from the parts of the country.
- To become one of the premier source of knowledge aligned with latest advances in Electrical Engineering especially in the Pir Panjal range of Jammu & Kashmir.

Department of Information Technology & Engineering

The Department of Information Technology and Engineering (ITE) was established in 2007 and is one of the pioneer Departments of School of Engineering & Technology. Presently, the Department offers B.Tech. programme of 4 years duration. Keeping in view the global scenario of information and technology, the syllabi are timely updated with reference to the current needs, requirements and technological advances.

The students are acquainted broadly with the knowledge based on the field of Information Technology including its evaluation, current trends and future directions. The Department strives to inculcate the requisite skills in the students and provide overall knowledge to them, so as to mould them into competent engineers.

Vision

To produce creative and competent IT professionals recognized for innovation, excellence and ethical application of technology to address the societal needs.

Mission

- To provide platform with ambience and state-of-the-art infrastructure for quality technical education in coherence with high moral values.
- To nurture innovative and entrepreneurial skills in students for creating self employment ventures by making use of digital technology.
- To introduce emerging technologies in curriculum to bridge the gap between academia and industry.
- To support the state in e-governance by providing competent IT professionals.

Course Curriculum

Intake:

Civil (50 Seats General & 10 Seats Self Financing)	60
Computer Science Engineering	60
Electronics & Communication / Information Technology / Electrical Engg.	
General* (in each branch) :	30

Eligibility for Admission

The applicant must have passed 10+2 from a recognized Board with at least 45% marks (40% for students of Scheduled caste / Scheduled tribe categories) with Physics and Mathematics as compulsory subjects

Procedure for Admission

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

* Including reserved category seats

** The number may change marginally

*** The University has initiated Ph. D. programme in Dept. of Electrical, IT, Civil & Electronics & Comm. Engg.

Applied Sciences

The division of Applied Sciences and Humanities imparts teaching in practical aspects of Applied Sciences and Humanities to build a strong foundation as part of the Engineering Education. It offers core courses of basic sciences in terms of Applied Mathematics, Applied Physics and Applied Chemistry in the first year. Communication Skills, Indian Constitution and Environmental Science are Humanities subjects that strengthen communication skills, the civic sense and familiarize the students with environment and discover solutions to environmental problems. The above disciplines are served by qualified and professionally competent faculty who are dedicated to their work and always willing to carry out any responsibility that may be entrusted to them.

Faculty	Designation	Qualification
<ul style="list-style-type: none">● Dr. Ram Singh● Mr. Anil Maini● Mr. Naveen Sharma● Mr. Mohd. Arif		<p>M. Phil., Ph.D.</p> <p>M. Phil., Ph. D. Pursuing</p> <p>M. Sc., Ph. D. Pursuing</p> <p>M. Sc., Ph. D. Pursuing</p>

Lateral Entry to B. Tech.

The University offers lateral admission to B. Tech. (3rd semester) in the following streams :

- **Civil Engineering**
- **Electrical Engineering**
- **Computer Science & Engineering**
- **Electronics & Communication Engineering**
- **Information Technology & Engineering**

Intake : Five seats are available in each branch over and above the allotted intake, which shall be filled under self-finance category. However, in those streams in which there are some vacant seats available within the allotted intake, seats shall be filled under normal category.

Eligibility for Admission : Passed Diploma Engineering in relevant or allied stream from recognized Board of Technical Education / University with at least 45% marks (40% for students of Scheduled caste / Scheduled tribe categories) or passed B.Sc. Degree from recognised University with at least 45% marks (40% for students of Scheduled caste / Scheduled tribe categories) and passed 10+2 examinations with Mathematics as a subject.

Procedure for Admission : Admission shall be made through Entrance Test that the University will notify and conduct separately.

Selection shall be made on the basis of marks secured by the applicants in the Entrance Test.

Change of Branch in B. Tech.

The University offers provision for Change of Branch (in B. Tech. 3rd semester) only to the students pursuing B.Tech. programme in BGSB University in the following streams:

- **Civil Engineering**
- **Electrical Engineering**
- **Computer Science & Engineering**
- **Electronics & Communication Engineering**
- **Information Technology & Engineering**

Intake : Number of seats available shall be notified at the commencement of Semester - III.

Eligibility for Admission:

Only such students will be considered for change of stream as have passed all theory and lab courses of Semester-I and have appeared for examination in all courses of Semester- II.

Selection of students seeking change of branch shall be made on the basis of the marks secured by them in Semester -I Examination.

Fee Structure for B. Tech. programmes

Rs 29,500/- per semester to be paid at the start of the respective semester.

Self-Supporting Fee to be deposited at the time of admission (One Time) - B.Tech CE will be Rs. 1,50,000/-

School of Management Studies

Associate Dean : Dr Ali Asghar Shah

Department of Management Studies

- BBA
- MBA
- Ph. D.

Centre for Hospitality & Tourism

- B. Voc. Tourism & Travel Management
- MBA - Hospitality & Tourism
- Diploma in Front Office
- Diploma in House Keeping
- Diploma in Food & Beverage Services
- Ph. D.

Community College

The Masters programme in Business Administration (MBA) run by the School is recognized by the All India Council of Technical Education (AICTE), New Delhi. The post graduates produced by the School have done it proud with placement in reputed organizations such as Wipro, HDFC Bank, Airtel, Vodafone & ICICI. The School has earned distinction of having produced large number of UGC-NET - JRF and SLET qualified students. This has been possible on account of the quality training imparted by the School.

The strength of the School lies in its well qualified faculty that is always enthusiastic to learn and teach. High profile experienced guest faculty drawn from different universities and corporate sector is involved in preparing students for facing the challenges of corporate world with poise and confidence. Teaching in the School is interactive. Students participate in seminars organized regularly to advance their knowledge base and improve articulation. The School works in close liaison with the Skills Development and Placement Cell for conducting training sessions on personality development and event management. Participation in these programmes is essential for students of both streams. Furthermore, each student has to compulsorily pass one non-creditable Massive Open Online Courses (MOOCs) under SWAYAM platform during the two-year programme.

The course curricula are based on UGC Model Curriculum and the real world business decisions and economic events. The emphasis of the programme is on strengthening analytical and critical skills of students on rolls. Availability of modern computer laboratories, state-of-the-art teaching aids and internet connectivity help students to learn, appreciate and analyze the important events shaping the business world. The School strives to produce business students capable of handling managerial positions in business organizations in India and abroad.

Academic Activities

- Organized seminars on contemporary events: Rupee-US Dollar swings, Global changes and liquidity crisis in India etc. Innovation in Banking Sector, Islamic Banking; Issues & Challenges, Sustainable Tourism, Policy reforms & Economic Diversification.
- Won second prize under P2P programme on 'Challenging Extremism' sponsored by Adventure Partners US & Facebook (150 Universities from South East Asia participated).
- Under 'Start up projects' students are managing & running, Peer Pal Café of the University on profit sharing basis on a theme 'Earn while you learn'.
- Organized 'Eminent Scholar Lecture Series' on Research Methodology and a talk on Cultural Heritage.
- Organized 'Management Fests and Personality Development Workshops'.
- Organized workshops on 'Research Methodology' using 'STATA' and 'SPSS 25'.

Ongoing Projects

- Impact Analysis of Microfinance Programmes and their Contribution to Rural Development in J&K.
Principal Investigator : Dr. Javed Iqbal **Rs. 5,50,000**
- Research & Documentation of Gujjars & Bakerwals (ST's) of J&K.
Principal Investigator : Dr. Pervaiz Abdullah **Rs. 5,00,000**
- Economic Evakuaton of high altitude lakes in Peer Panjal Region of J&K.
Principal Investigator : Dr. Showket Mir & Dr. Pervaiz Abdullah **Rs. 8,00,000**
- What role does the employment protection legislation play in the wage determination under segmented labour markets? A State Level analysis.
Principal Investigator : Dr. Irfan Ahmad Sofi **Rs. 10,00,000.**
- Management and Performance of Micro and Small Enterprises in Rajouri and Poonch District of J&K
Principal Investigator : Dr. Dil Pazir **Rs. 7,00,000**

Course Curriculum**Semester I**

Course Code	Course Title

Summer Training Project

Every enrolled student will be required to undergo practical training of 6-8 weeks during summer vacation following Semester IV, in an approved business / service organization, and submit two copies of the Training Report to Dean, School of Management Studies within two weeks of the commencement of Semester V. The Summer Training Report carries 100 marks. It shall be evaluated for 50 marks by an External Examiner and for 50 marks by an Internal Board comprising a minimum of two Faculty Members.

Intake : 25

Eligibility for Admission

- Passed 10 + 2 examination from any recognized Board of School Education with any subject combination.
- Candidates appearing in the qualifying examination and those whose result of the qualifying examination is awaited can also apply provisionally.

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee Structure

B. Voc. (Tourism and Travel Management)

The B.Voc. (Tourism and Travel Management) programme is focused on providing undergraduate degree with multiple exit points such as Certificate, Diploma, Advanced Diploma and Degree under NSQF spread over three years incorporating specific job roles along with broad based general education component. It is a new initiative of Government to align higher education with the emerging needs of the economy so as to ensure that the graduates of higher education system have adequate knowledge and skills for employment and entrepreneurship. It is a course where more importance is given to practical education than the customary theoretical education. Each level of the programme would be a suitable mix of skill development and general education components. The weightage for skill development would be 60 % and general education component will be 40%. The changes would be incorporated as per UGC/NSDC guidelines issued from time to time, keeping in view the needs of the local industry as well.

Fee for the course

Rs. 4500/- (1st Year)

Rs. 6300/- (2nd Year)

Rs. 7200/- (3rd Year)

MBA - Hospitality & Tourism

Tourism has emerged as World's fastest growing industry and a major source of earning. Jammu & Kashmir has been the paradise of tourists from all over the World from times immemorial on account of its topography, natural and cultural diversity, heritage sites and the bounties of nature. It offers opportunities for all kinds of tourism; leisure, adventure, health and pilgrimage. Therefore, tourism has generated direct and indirect employment to a large chunk of State's population. With the world having shrunk to a global village, distances having become irrelevant, through improved transport system people all over the world have become World trotters. The tourist industry of the country has to keep pace with the growing tourist influx. In the years ahead tourism industry will undergo unprecedented expansion which will mean increase in the requirement of skilled human resource to man the industry. The Masters Course in Hospitality & Tourism has been introduced to generate such human resource.

Department of Arabic

Arabic is a living language with rich literary heritage. It is the official language of 18 Arab countries, fourth language of the world and sixth language of UNO. More than anything else it is the language of holy Qur'an. For these reasons the University established the Department of Arabic the very year it was founded. The Department imparts teaching at under - and post graduate levels and conducts Ph. D. Programme. The passouts find employment in various organizations.

Besides conducting routine classroom teaching, the Department has been regularly organizing seminars, workshops, poetic symposia, exhibitions, Qirat competitions etc, at national and state level.

Intake : 20

10% of the seats (2.5) are reserved for B.A.Arabic (Hons.) passouts of BGSB University. However, they will also be required to fulfill all the eligibility requirements.

Eligibility for Admission

- Bachelors' degree (10+2+3 pattern) or any other degree equivalent thereto from a recognized university with Arabic as one of the subjects.
- Candidates who have appeared or are appearing in the Final Year examination of the qualifying degree are also eligible to apply provisionally.

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee Structure

Rs 13,750/- per semester to be paid at the start of the respective semester.

Ph. D. Programme

The Department has Ph. D. scholars on rolls. A number of Ph.D. Scholars have already passed out. For admission procedure to these programmes, refer chapter Research Programme of Admission Prospectus.

Department of Arabic, Jamia Millia Islamia, New Delhi

School of Islamic Studies and Languages is one of the eight Schools which were initially conceived at the time of inception of this University way back in 2005. For a little over a decade the School continued with a single Department, namely Department of Arabic which offers B.A. Arabic (Hons.), M.A. Arabic and Ph.D. programmes. Department of English was added in 2014. All along this period, the need was felt to start M.A. in Islamic Studies in 2017 and Ph.D. programme in 2018.

The above programmes opened avenues for passouts from dozens of Colleges of the State which teach Islamic Studies as an elective subject at under-graduate level. The programme will help learners in exploring Islam as religion, promoting study of Islamic culture and civilization besides imparting knowledge about social, political, economic and cultural trends in Arab World & other Muslim Countries.

The areas of study of the programme will include history of Islam, Islamic Religious Sciences (Quran, Hadith & Fiqh), Spirituality in Islam, Comparative study of religions, Muslim Philosophy and Islam in the Modern World (Thinkers, Movements & Trends). The programme is thus proposed to help learners in exploring Islam as Religion, promoting study of 'Islamic Culture and Civilization' besides Inter-Community relations & interfaith dialogue.

M.A. Islamic Studies

Course Curriculum

Department of Urdu

The University has School of Islamic Studies and Languages with Masters programmes in Arabic, Islamic Studies and English. Urdu is taught at undergraduate level to students of B. A. Arabic (Hons.) There was persistent demand for introduction of Masters Degree programme in Urdu in view of the fact that it is taught at undergraduate level in all Colleges of the twin districts of Rajouri and Poonch and the passouts have no avenues for pursuing it at postgraduate level. Moreover Urdu is the official language of Jammu & Kashmir State and the second most popular language of the country.

Department of English

On account of its reach and richness, English language has grown in its popularity and has become the lingua franca. Even countries averse to it in the past are attempting to gain proficiency in this language. With the world having shrunk and the job and trade markets becoming open to all irrespective of nationality more and more young Indians are moving out of the Country in pursuit of greener pastures. Proficiency in English provides them an edge over others. No wonder, therefore, it is satisfying to find Indians occupying high positions in all spheres the World over.

Indians have lately taken to writing in English. Quite a few have earned distinction and their writings are in great demand. In view of its richness as language and the help it provides in gaining employability, the University has started full time post - graduate programme in English of two years duration and consists of four semesters.

Academic Activities

- Exhibition on "Art and Culture of Jammu and Kashmir".
- Student Seminar on the Eve of Gandhi Jayanti in October, on the topic "Relevance of Gandhian Philosophy in Modern Times".
- Study visits to regional writers.
- Lecture series delivered by prominent regional writers.
- Study visit to Shah Sattaar.
- Exhibition of "Women Writers".

Faculty	Designation	Qualification
<ul style="list-style-type: none">● Dr. Romina Rashid● Dr. Mariya Aslam● Dr. Shachi Sood● Mr. Tanvir Ahmed● Dr. Shah Sajad Hyder	Head of the Department	M.A., Ph. D., SLET B.Ed., M.A., SET, Ph.D. M.A., Ph. D. M.A., M. Phil., SET B. Ed., M.A., Ph.D.

BGSB University is located in a region which has rich geographic, climatic and cultural diversity. The major languages spoken in the Pir Panchal region are Gojri and Pahari. Unfortunately, both the languages failed to gain attention of the academic institution within and outside the state. Most of the time, languages go extinct because their speakers are absorbed by a dominant language or culture group. In the age of Globalization dominant with ICT and Corporate culture, the risk of languages being lost is high if it is not taught to younger generations. Language being important part of any society, if not preserved, future generations may lose vital part of the their culture. Realizing its significance, BGSBU took the laudable initiative to establish a dedicated Centre for Research in Gojri & Pahari and Kashmiri Languages (CRGPKL).

Gojri is the mother tongue of over 20 million people residing in various parts of India particularly in Jammu & Kashmir, Himachal Pradesh, Rajasthan, Punjab, Haryana, Delhi, Uttar Pradesh, Madhya Pradesh, Gujarat and Uttarakhand. Noted poet-musician Hazrat Amir Khusro formally made the mention of the Gojri language in the list of eight Indian languages of his time. Pahari is widely spoken in the Himalayan region is historically ancient language, having been mentioned by the authors like Pliny and Herodotus and figuring in India's epic poem, the Mahabharata. Although the Pahari population in Jammu and Kashmir is predominantly distributed in Pir-Panchal (District Poonch, Rajouri & Reasi), besides, Districts Shopian, Ganderbal, Kupwara & Baramulla in Kashmir Valley, the Baba Ghulam Shah Badshah University Rajouri, is thus, strategically the central place for the proposed academic activities that will play significant role in encouraging and protecting Pahari history, culture and language in particular.

The Jammu & Kashmir Government is all set to introduce Gojri & Pahari at UG and PG levels in institutions of Higher Education. In view of this, the scope and significance of the 'PG programmes in Gojri & Pahari Languages increases many folds. With this background, BGSBU has introduced the PG Programme (M.A.) in Gojri and Pahari under the aegis of the Centre for Research in Gojri, Pahari and Kashmiri Languages (CRGPK) under School of Islamic Studies & Languages, from the ensuing academic session-2022.

M.A. Persian

There has been persistent demand to start post graduate program in Persian at Baba Ghulam Shah Badshah University, Rajouri. Considering the fact that Persian is a very old language with dominating presence in Urdu, Arabic and other ancient classical languages and caters to composite culture, it needs to be nurtured and promoted more so because most valuable and authentic manuscriptson historical, social and political themesare available in Persian and hence Persian serves as a primary source for knowledge and research endeavors.In J& K Persian is deep-rooted since most of its official records are available in Persian which greatly underlines the significance of study of Persian not only as a language but also as an important connecting link to explore and disseminate our ancient literature into other modern languages. With the aforesaid background, the University has introduced P.G.Programmein Persian i.e. M.A.(Persian) at Baba Ghulam Shah Badshah University, Rajouri with effect from the forthcoming academic session 2023-24.

Hindi is the most widely spoken Indo-Aryan Language among nearly three hundred languages spoken in India, with its speakers more wide spread in North, Central, Eastern and Western Indian states. Hindi written in Devnagri script is one of the two official languages of the Government of India along with English and one of the 22 Scheduled languages enshrined in Indian Constitution. The article 351 of the Indian constitution provides: "It shall be the duty of the Union to promote the spread of the Hindi language, to develop it so that it may serve as a medium of expression for all the elements of the composite culture of India..."

As BGSBU is the only institute of higher learning in Pir-Panchal, region of Jammu and Kashmir, the teaching and research in Hindi will open new vistas of growth and development for young students of this region to disseminate the cultural, historical, linguistic and related aspects of J&K with special focus on Pir-Panchal Region in the other part of India particularly in Hindi speaking belt of the country. Further the knowledge of Hindi is bound to develop a better understanding and stronger covalent bond between different social denominations by an inclusive approach, dispelling the clouds of communication gaps. In view of this, BGSBU has decided to introduce Masters programme in Hindi from the forthcoming academic session, 2023-24.

MAH 404	वैकल्पिक पाठ्यक्रम क) भारतीय साहित्य ख) संस्कृत साहित्य ग) उर्दू साहित्य

Intake : 10

Eligibility for Admission:

Bachelors degree (10+2+3 pattern) or any other degree equivalent thereto from a recognized University with Hindi as one of the subject.

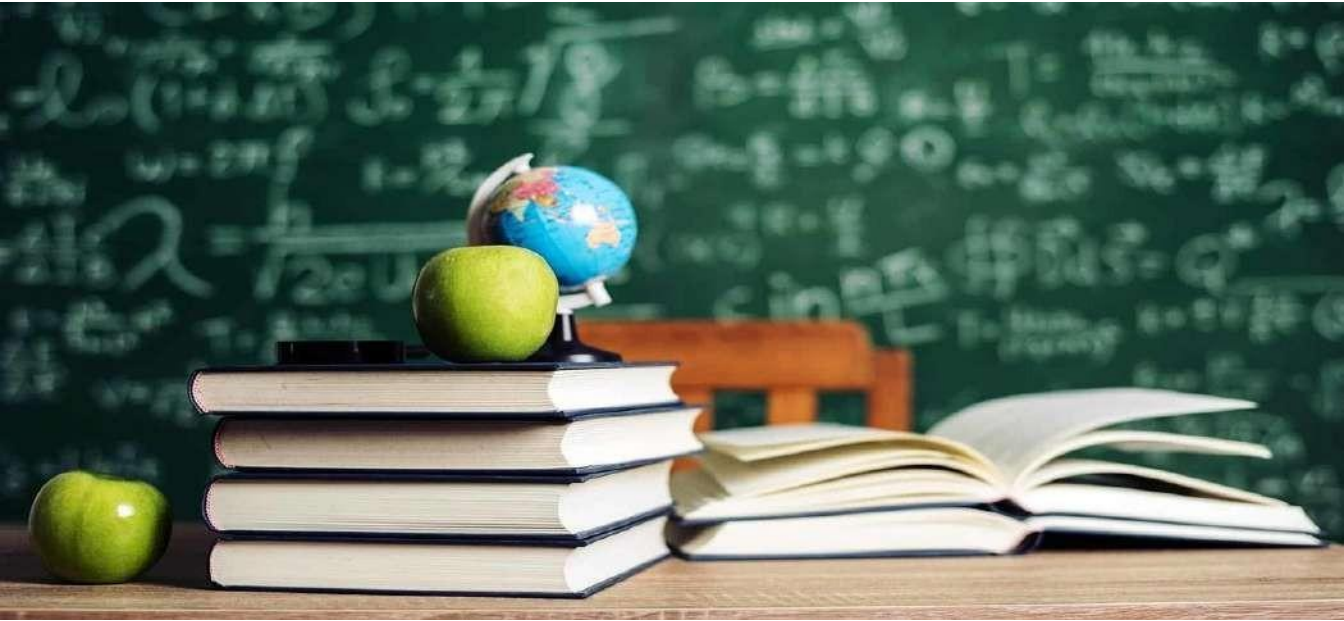

Candidates who have appeared or are appearing in the final year examination of the qualifying degree are also eligible to apply provisionally.

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee: Rs. 13,750 per semester

Programme Coordinator

Dr. Rizwana Shamsi,
Assistant Professor, Department of Urdu.

School of Education

Associate Dean : Dr Shams Kamal Anjum

Department of Education

- M.A. Education
- Ph. D.

Profile

The Department was established in 2014. The faculty is contributing considerably to the promotion of teaching and research in Education. The course contents are in tune with changing trends in teaching and learning technologies, resources and services and systems and networks. The Department aims at providing instruction by making use of a combination of indigenous and innovative methods of teaching. Curriculum is constantly evolving on globally acceptable changes and continuously renewing itself through rigorous programme evaluation.

Vision

To emerge as an nationally / internationally accredited Department of Education with a capacity to design and provide quality assured opportunities of studies, extension, development, consultancy and research in Education.

Mission

To produce nationally / globally acceptable Human Resources through :

- **Instruction** : Providing instruction by making use of a combination of indigenous and Innovative methods of teaching.
- **Curriculum**: Evolving globally acceptable curriculum and continuously renewing the same by means of programme evaluation.
- **Research**: Advancing the frontiers of knowledge in Education and Teacher education by means of both quantitative and qualitative researches at basic, applied and action level.
- **Extension**: Extending the wealth of knowledge of education to the practitioners of education and hitherto inaccessible sections of the society.
- **Development**: Developing advanced programmes, tools and techniques which are useful in the field of education.

M. A. Education

The Master of Arts in Education (M. A. Education) is a two year (04 semester) programme that provides an opportunity for students in the field of Education to pursue higher education and undertake advanced course work and research. The course offers excellent career prospects in terms of advancement of knowledge and qualification and ultimately making them qualified professional and later researchers.

The M.A. Education programme aims at producing a team of well-trained individuals knowledgeable in Education and its various dimensions. More specifically the M. A. Education programme intends to:

- Provide learning experience, which will enable students to understand and appreciate knowledge structure paradigms of Education.
- Develop professional for effective participation in educational actions in different areas of Education.
- Create a community of scholars adequately equipped for participation in Educational discourses.

Course Curriculum

Semester I

Course Code	Course Title
M.A-Ed 101	Philosophical Perspectives of Education-I
M.A-Ed 102	Sociological Foundations of Education-I
M.A-Ed 103	Psychological Foundations of Education-I
SEC	Skill Enhancement Course Personality Development

Optional Papers (Any one of the following)

M.A-Ed 104	Early Childhood Care and Education (ECCE)
M.A-Ed 105	Guidance and Counselling
M.A-Ed 106	Adolescence Education
M.A-Ed 107	Environmental Education

Semester II

Course Code	Course Title
M.A-Ed 201	Philosophical Perspectives of Education-II
M.A-Ed 202	Sociological Foundations of Education-II
M.A-Ed 203	Psychological Foundations of Education-II
AEC	Ability Enhancement Course- Mental Health and Adjustment

Optional Papers (Any one of the following)

M.A-Ed 204	Education and Mental Health
M.A-Ed 205	Gender Education
M.A-Ed 206	Comparative Education
M.A-Ed 207	Elementary Education

Semester III

Course Code	Course Title
M.A-Ed 301	Methodology of Educational Research-I
M.A-Ed 302	Policy Perspectives & Issues in Indian Education
M.A-Ed 303	Statistics in Education
OGE-I	Open Generic Elective (Value Education)

Optional Papers (Any one of the following)

M.A-Ed 304	Special Education
M.A-Ed 305	Teacher Education
M.A-Ed 306	Educational Planning and Finance
M.A-Ed 307	Secondary Education

Semester IV

Course Code	Course Title
M.A-Ed 401	Methodology of Educational Research-II
M.A-Ed 402	Instructional Technology
M.A-Ed 403	Educational Measurement and Evaluation
OGE-II	Open Generic Elective (Higher Education)

Optional Papers (Any one of the following)

M.A-Ed 404	Educational Administration and Supervision
M.A-Ed 405	Curriculum Development
M.A-Ed 406	Value Education
M.A-Ed 407	Higher Education
M.A-Ed 408	Dissertation

Intake : 25

Eligibility for Admission

A candidate seeking admission to regular M. A. Education programme must have passed final year of Bachelor's Degree Examination (10+02+03) from a recognized University / Institution.

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee Structure

Rs 16,000/- per semester to be paid at the start of the respective semester.

Ph. D. Programme:

Ph. D. Programme of the School aims at developing competencies of the methodology of conducting research in various fields of teacher education so that it could go a long way in producing reliable and valid thesis with the objectives of :

- To develop sound understanding of the methods of research in various field of teacher education, so that it can go a long way in producing reliable and valid thesis.
- To understand and analyze research literature to identify research gaps.
- To develop the ability to construct and use appropriate educational research tools.
- To apply appropriate statistical techniques of data analysis depending on the research designs.

School of Biosciences & Biotechnology

Dean : Ali Asghar Shah

Centre for Biodiversity Studies

- **M. Sc. Environmental Sciences**

Department of Biotechnology

- **M. Sc. Biotechnology**
- **Ph. D.**

Department of Botany

- **M. Sc. Botany**
- **Ph. D.**

Department of Zoology

- **M. Sc. Zoology**
- **Ph. D.**
- **M. Sc. Microbiology**

School of Biosciences and Biotechnology

The School comprises the Centre for Biodiversity Studies, the Pir Panjal Biodiversity Park and three postgraduate Departments which impart teaching in Biotechnology, Botany, Zoology, Microbiology. Research is an important component of the mandate of the School and the Centre for Biodiversity Studies, the other two being Teaching and Extension. The research programmes of the School have attracted liberal funding from different National agencies. Today, the School has over a dozen scholars involved in research in classical and modern biology. The faculty is well qualified. Besides being involved in their own research pursuits they supervise research leading to Ph.D. Degree. The Department has produced seven Ph. D. theses and five batches of M. Phil.

Ongoing Research Projects

- Development of DNA Barcode for rapid identification of Rhabditid nematodes (DBT, New Delhi)
Principal Investigator : Dr. Ali Asghar Shah **Rs. 45,66,000**
- Bio activity of secondary metabolites and thallus extracts from Lichens against Pathogens (DBT, MS&T, GOI, New Delhi).
Principal Investigator : Dr. Mamta Bhat **Rs. 8,00,000**
- Conservation Genetics and Species recovery of threatened Himalayan Trillium in Hirpora Wildlife Sanctuary, Kashmir Himalaya (DBT, New Delhi).
Principal Investigator : Dr. Tanvir-UI-Hassan Dar **Rs. 41,80,000**
- A biotechnological approach to elucidate adaptation mechanism, migration pattern and reproductive biology of indicator temperate – alpine plants in Himalayas in response to changing climate (DBT, New Delhi).
Principal Investigator : Dr. Tanvir-UI-Hassan Dar **Rs. 28,30,800**
- Livelihood enhancement and economic empowerment of Gujjar and Bakerwal Tribals through rural technology Interventions in District Rajouri (J&K), India (DST)
Principal Investigator : Dr. Mohd Hanief **Rs. 13,12,000**
- Molecular mechanisms mediating protective effect of *Mentha longifolia* and *Mentha arvensis* against chemotherapy induced gastrointestinal mucositis in animal models (UGC, New Delhi).
Principal Investigator : Dr. Raja Amir Hassan **Rs. 10,00,000**
- Evaluation of anthelmintic properties of etho-medicinal plants used by the Gujjar and Bakarwal tribes of Pirpanjal range of Jammu and Kashmir, against the animal parasitic disease, Fasciolosis and amphistomiasis. (UGC, New Delhi).
Principal Investigator : Dr. M. A. Hannan Khan **Rs.10,00,000**
- Chemo-profiling and anticancer potential of *Apium leptophyllum* fruits (UGC, New Delhi).
Principal Investigator : Dr. Mohd Salim Reshi **Rs.10,00,000**

- Studies on caddisflies of Pirpanjal range using morphological and molecular approaches. (UGC, New Delhi).

Principal Investigator : Dr. Sajad Hussain Parey

Rs.10,00,000

- Entrepreneurship Development Among Tribal men and women through scientific beekeeping in District Rajouri, (J&K). (NHMS-MoEF).

Principal Investigator : Dr. Sajad Hussain Parey

Rs. 57,38,880

- Nitric oxide and polyamine mediated reversal of low temperature-induced photosynthetic inhibition in *Lycopersicon esculentum* (UGC, New Delhi).

Principal Investigator : Dr. Mohd Asgar

Rs. 10,00,000

- Study on expression of extended spectrum β - Lactamase and Metallo β - lactamase and screening rich repertoire of plant phytochemicals of Pir Panjal region affective of *E.coli*, (UGC, New Delhi).

Principal Investigator : Dr. Arif Tasleem Jan

Rs. 10,00,000

- Structural mapping of metallo-beta-lactamase by investigating the role of active site, peripheral and structural amino acid residues on its catalytic proficiency using mutagenic approaches. UGC (Startup Grant)

Principal Investigator : Dr. Mohd Shoeb Ahmad

Rs. 10,00,000

Developing methods for tolerance against drought and heat stress in *Zea mays* and *Phaseolus vulgaris* grown in Pir Panjal region of Jammu and Kashmir, DST-SERB.

Principal Investigator : Dr. Mohd Asgar

Rs. 33,00,000

Expressional and functional studies of Matrix Gla protein (MGP) towards elucidating its role and interaction with other proteins of extracellular matrix for rational drug designing in overcoming the odyssey of muscle loss), DST-SERB.

Principal Investigator : Dr. Arif Tasleem Jan

Rs. 70,00,000

- Impact of Climate change on Phenology and reproductive biology of two economically important Himalayan plant species, *Dodonaea Viscosa* and *Olea ferruginea*, UGC.

Principal Investigator : Dr. Mohd Asger

Rs. 10,00,000

- Morphological and Molecular Assessment of Cadish Flies (Hydropsychidae: Trichoptera: Insecta) of Northwest Himalayas towards understanding their Phylogenetic relationship, SERB, DST, GOI India

Principal Investigator : Dr. Sajad Hussain Parey

Rs. 54,14,825

- Pharmacotherapeutic evaluation of medicinal plants of Pir Panjal region for elucidating their efficacy and possible mechanism of action in the treatment of waterborne infectious diseases" Sponsored by JK Science Technology & Innovation Council, Department of Science & Technology.

Principal Investigator : Dr. Arif Tasleem Jan

Rs. 4,00,000.

Assessing the Floristic Diversity and Ecosystem Level Carbon Sequestration Potential of Pir Panjal Region of Rajouri, J&K" Sponsored by JK Science Technology & Innovation Council, Department of Science & Technology.

Principal Investigator : Dr. Mohd Hanief

Rs. 8,75,000

Internet & Library

The School maintains a library which is being enriched regularly with financial support from DBT, Govt. of India, the UGC grant and gifts received from different sources.

- It also has a Wi-Fi enabled Internet facility which feeds all laboratories and teachers' cabins for use by the faculty and students.
- The School has received extramural funds for teaching and research from various funding agencies to the tune of about rupees 9 Crores.

Centre for Biodiversity Studies

Centre for Biodiversity Studies (CBS) was established in Baba Ghulam Shah Badshah University in the year 2005 as founder constituent of the School of Biosciences & Biotechnology. It started functioning in

2007, with the specific mandate to undertake studies on biodiversity of the local terrain in particular and of the Pir Panjal Himalayan mountain range in general. A comprehensive Road Map for its functioning was prepared in 2008. Following its establishment, two important adjuncts were added to it: the Biodiversity Park christened as the Pir Panjal Biodiversity Park, and the BGSBU Botanical Garden. The Centre is involved in activities broadly classifiable into three categories:

1. Teaching (M.Sc. Environmental Sciences)
2. Research
3. Extension
4. Environmental Education

M.Sc. Environmental Sciences

Centre for Biodiversity Studies (CBS), as the founder constituent of the School of Biosciences and Biotechnology, is involved in Research, Extension and Environmental Education. The Centre traverses a broad range of academic and research pursuits across Natural and Social Sciences to promote Environmental education and research based on the interactions between the natural environment and human activities. Rooted in the tradition of the University, the Centre aspires to generate critical understanding of the subject that will benefit the students of the region. The Centre also seeks to bridge the current gap in the study of the environmental issues between the Western and the Eastern perspectives.

The Centre aims to focus on ecology and environment as not just an activity to be conducted in the 'natural;' or 'pristine ' ecosystems, but recognizes the ecological and environmental concerns in the human- dominated landscapes as a distinct, exciting and socially pertinent teaching and research agenda to pursue.

In order to further complement the aforesaid academic spectrum, the Centre offers a two- years Master's program in the Environmental Sciences. The course is designed to help the students to develop hands-on-training in Natural Resource Management, Biodiversity Conservation and Management, Environmental Impact Assessment, Wildlife, Environmental Chemistry , Remote Sensing, Ecology & Environmental Biology.

Course Curriculum

Semester I

Course Code	Course Title
EVS 101	Foundation Course on Ecology and Environment
EVS 102	Environmental Chemistry
EVS 103	Environmental Pollution
EVS 104	Basics of Earth Sciences
EVS 105	Natural Hazards and Disaster Management

Laboratory Courses

EVS 160	Lab Course Based on EVS 102 and EVS 10404
EVS 161	Lab Course Based on EVS 103 and EVS 10504

Semester II

---------	--

Intake	:	40
General	:	35
Self-Supporting	:	05

Eligibility for Admission

- Bachelor's degree in Science 10+2+3 pattern with atleast 45% marks or equivalent Grade Point Average (GPA) with any of the following subjects like Environmental Sciences, Botany, Zoology, Agriculture, Forestry, Chemistry, Microbiology, Geography, Geology, and Life Sciences.

Procedure of Admission

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee Structure

Rs 22,750/- per semester to be paid at the start of the respective semester. The Self - Supporting fee to be deposited at the time of admission (One Time) will be Rs. 1,50,000/-

Research

In consonance with its mandate, research work in conventional and modern biology is being undertaken at CBS along the following lines:

1. Inventorization of plants, animals and microbes.
2. Exploration of intraspecific variation using morphological, cytological and molecular markers.
3. Estimation of species abundance.
4. Studying life-cycle patterns of dominant and economically useful taxa.
5. Identification of endemics, studying their abundance and attempting their multiplication.
6. Identification of rare and threatened species, and exploring the stress they are facing, remedying the causes, and attempting their conservation (both *in situ* and *ex situ*) and rehabilitation.
7. Locating exotics, including invasive species, assessing their impact on native taxa, and evolving methodology to contain them.
8. Exploration of plant-animal interactions of all kinds.

Extension

The achievements of Science and Technology have not percolated to masses, particularly in the Country's hinterlands to the extent desired. Rajouri Poonch belt is no exception. CBS has launched programme for imparting such skills to rural women as will help them to utilize bio-resources available at their doorsteps and convert them into assets, using technologies evolved in laboratories. These programmes aim at:

- Organizing women, trained in the above crafts, into co-operatives to initiate and encourage entrepreneurship.
- Arranging linkages between budding women entrepreneurs and the market.
- Linking rural women with banks to mobilize loans.
- Providing them technical support to foster bio-resources based enterprises.
- Organizing in-service training programmes for the staff of bio-resource related organizations.

The technologies approved by the Department of Biotechnology, New Delhi for dissemination among rural women of Rajouri are:

- Vermicomposting
- Biocrafts
- Medicinal-plant Cultivation
- Mushroom Culturing

Department of Biotechnology was established in 2009 under the school of Biosciences & Biotechnology and from 2011 onwards under the aegis of Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India, the M.Sc teaching programme “Bioresources Biotechnology” was supported. The programme aims to promote dissemination of biotech interventions in agriculture and allied sectors for the benefit of the underprivileged section of the society and to nurture the potential of local population in understanding the molecular mechanism of life, alteration of basic dogma and sustainable resource management. A monthly stipend of Rs.5000/- from DBT and a research grant of Rs. 50000/- to each student who successfully qualify GAT-B entrance test has made the subject most preferred among the aspirants. Since 2009 a major proportion of students opt for the masters program in Biotechnology, as the programme simultaneously provides them carrier opportunity and financial stability. From last 11 years our students have qualified different national level competitive examinations and are currently perusing their higher education in some reputed institutions across India. The Department is successfully achieving its goals in leaps and bounds.

After the successful completion of the Masters programme in Biotechnology, Department engages some intellectual human resources in different ongoing research projects sanctioned from the different Funding Agencies. In association with the University, Department is also having ongoing Ph.D. programme whereby, internally trained students are given opportunity to further furnish the aims and objectives of the Department of Biotechnology, Government of India. Our main thrust research areas are: **Plant Molecular Biology; Molecular Parasitology and Cell Signalling; Clinical Biochemistry & Human genetics and Protein Engineering & Structural Biochemistry.**

Masters programme in Biotechnology is of two years duration spread over 4 Semesters. The first three Semesters are devoted to Course work, which is imparted through 23 theory and 10 laboratory courses. In the last Semester students are required to undertake research work for compiling the dissertation. Masters degree is awarded to students who earn 96 credits: theory 52, lab 20 &

(Reservation of seats is as per the norms of HRD Ministry, Government of India)

Eligibility for Admission

- Bachelor's degree in Physical, Biological, Agricultural, Veterinary and Fishery Sciences, Pharmacy, Engineering/technology, 4- year B.Sc. (Physician Assistant Course); MBBS or B.D.S with at least 55% marks.
- Candidates appearing in the final Year Examination of the qualifying degree, and those whose result of the same is awaited, can also apply provisionally.

Procedure for Admission

- The admission in the above program will be conducted through two routes. Primarily, the above seats will be filled through the nation-wide Common Entrance Test on the basis of merit secured by the candidates in Graduate Aptitude Test-Biotechnology (GAT-B), conducted by Department of Biotechnology, Government of India, New Delhi through its designated Regional Centre for Biotechnology (RCB), Faridabad (Haryana). The candidates are advised to keep track of the advertisement to be issued by RCB (www.rcb.res.in), Haryana shortly and follow the procedural details as advised. Those who will get admitted through GAT-B will be entitled for Rs. 5000/pm studentship for the entire duration of the program along with Rs. 50,000/- financial assistance for dissertation preparation. Since it is a nation-wide prestigious test with financial incentives, the students are encouraged to appear in large numbers.
- In case of leftover vacant seats which may not be filled through GAT-B entrance test, admissions will be made based on Written Entrance Test, which will be conducted at the School of Biosciences and Biotechnology at BGSB University campus and/or any other Centre, so decided by the University. The schedule of this entrance at BGSBU will be notified shortly and Model Question Paper of Entrance Test will be uploaded on the University website. However, those admitted through University Entrance test will not be entitled for Studentship or any other DBT sponsored benefit.

Fee Structure

For Admissions made through GAT-B, Rs. 12,500/- per semester is to be paid at the start of respective semester. For Admissions made through University Entrance Test, Rs. 22,750/- per semester is to be paid at the start of respective semester.

Department of Botany

The Department of Botany was established in 2014 to meet the aspirations of the students of J&K in general and Rajouri-Poonch region in particular and also to train them to understand and practice various aspects of plant sciences. The courses have been designed to take care of both the classical and contemporary aspects of Botany. Within a short span, the Department has earned a name as an important centre of studies in Plant Sciences in the country.

The hard work put in by the teachers and the students started yielding dividends right from the very beginning. The students have started qualifying CSIR-NET. The Department has the expertise and infrastructure to help students opt for getting advanced training in many areas of specialization such as Plant Biotechnology, Cell and Molecular Biology, Bacteriology, Plant Physiology, Forest Ecology, Biodiversity Conservation, Taxonomy, Cytogenetics, Mycology, Reproductive biology, Lichenology, and Ecology & Environmental Biology.

The Department has completed some consultancy projects successfully. The Department houses herbarium focusing on the plant diversity of the Pir Panjal and surrounding areas. Lead Botanic Garden, Herbal Garden, Lichen grove and fernery are the main attractions of the department. Lead Botanic Garden of Department of Botany has been registered as a participant in the world wide implementation of the International Agenda in support of plant conservation, environmental awareness and sustainable development by Botanic Gardens Conservation International based at Kew, London, UK.

Intake	:	50
General	:	40
Self-Supporting	:	10

Eligibility for Admission

- Bachelors degree of 10+2+3 pattern with Botany as one of the subjects or any other degree recognized equivalent thereto from any recognized university.
- Candidates appearing in the Final Year Examination of the qualifying degree and those whose result of the same is awaited, can also apply provisionally.

Procedure of Admission

Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.

Fee Structure

Rs 29,500/- per semester to be paid at the start of the respective semester. The Self - Supporting fee to be deposited at the time of admission (One Time) will be Rs. 1,50,000/-

Department of Zoology

The Department was established in 2014 to meet the aspirations of the students of this region and also to train the students desirous of learning, understanding, teaching and practicing various aspects of Animal Sciences. The courses have been designed to take care of both the classical and contemporary aspects of Zoology. Within a short span the Department earned a name as an important Centre of studies in Animal Sciences. The hard work put in by the teachers and more so the students started yielding dividends right from the very beginning. The Department has the expertise and infrastructure to help students opt for getting advanced training in many areas of specialization such as Animal Biotechnology, Animal Physiology, Ecology, Biodiversity Conservation, Taxonomy, Cytogenetics, Mycology, Immunology, Molecular Biology, Toxicology, Parasitology and Entomology. With the help of grants received from various funding agencies (DBT, MoEFC & C, GBPIHED, UGC, etc.), the Department is in a position to help the students unravel the intricacies of Animal life even at the molecular level.

The Department has been receiving extra mural funding from the various national funding agencies. Research projects worth over Rs. 1.3 crores are running in the Department. The Department has completed some consultancy projects successfully. The Department also houses museum focusing on the Animal diversity of the Pir Panjal and surrounding areas. Pir Panjal Biodiversity Park is the main attractions of the Department.

Course Curriculum

Semester I

Course Code	Course Title
Zol 170	Principles of Animal Taxonomy
Zol 171	Animal Resources and their Utilization
Zol 172	Invertebrates : structure & function
Zol 173	Cell Biology
Zol 174	Molecular Biology
Zol 175	Elements of Toxicology
Lab courses	
Zol 180	Lab course on Animal Taxonomy & Animal Resources
Zol 181	Lab course on Elements of Toxicology & Cell Biology
Zol 182	Lab course on Invertebrates & Molecular Biology

Semester II

Course Code	Course Title
Zol 270	Vertebrates : Structure & Function
Zol 271	Ecology & Environmental Biology
Zol 272	Fundamentals of Biochemistry
Zol 273	Bioinformatics and Biostatistics

Choice Based Open Elective Course (Opt any one of the following)

Math 231	Math. Tools for Real World Problems
IT 232	IT Soft Skills
Bio 233	Fundamentals of Biotechnology
Bot 234	Mysteries of Green Plants
Bot 235	Mushroom Cultivation
Zol 236	Nutrition, Health & Hygiene
Arb 237	Fundamentals of Arabic Lang.

UR 238	Fundamentals of Urdu Lang. & Lit.
IS 239	Islamic Religious Sciences
EVS 240	Environment & Social Issues
Eng 241	Applied English
Edu 242	Higher Education
Eco 243	Principles of Banking
MCA 244	Computer Appl. & Operations
HT 245	Basics of Tourism & Travel Agencies

M. Sc. Microbiology

Microbiology is one of the oldest and the most important discipline of Life Sciences as it deals with the study of microorganisms which have profound role in human health. Since studies on microbiology have both fundamental as well as applied aspect, BGSBU has introduced a 2-years course of Master of Science in Microbiology. The course curriculum is as per the Choice Based Credit System prescribed by UGC and covers the entire spectrum of microbial studies including bacteriology, virology, mycology and protozoology. It also covers applied microbiology as part of biotechnology along with specialized papers for Agricultural Microbiology and Medical Microbiology. Highly trained and qualified faculty members, with several years of teaching and research experience from reputed National and International Universities and Institutes, are teaching the course. Microbiology offers great potential of employment in production of pharmaceuticals, medicine and diagnostics and Food and Beverages besides providing opportunities to continue in research pursuits or employment in teaching sector.

Course Curriculum

Semester I

Course Code	Course Title
MIB 1014	Foundation Course

School of Nursing & Biomedical Sciences

Associate Dean : Dr. Titi Xavier

B. Sc. Nursing

INTRODUCTION

The need to establish the Nursing Colleges was felt to make up the shortage of institutes devoted to training professional nurses required to meet the needs of rapidly expanding health care sector in the erstwhile State and Country at large. BGSB University has established (03) three Nursing Colleges in record time at Rajouri, Jammu and Kishtwar.

Scope of nursing practice encompasses provision of promotive, preventive, curative and rehabilitative aspects of care to people across their life span in wide variety of health care settings. Practice of Nursing is based upon application of basic concepts and principles derived from the physical, biological, behavioral sciences, medicine and nursing.

Undergraduate nursing program is broad-based education within an academic framework specifically directed to the development of critical thinking skills, competencies & standards required for practice of professional nursing and midwifery at basic levels in providing promotive, preventive, curative and rehabilitative services.

In addition, the Undergraduate nursing education program prepares its graduates to become exemplary citizen by adhering to code of ethics and professional conduct at all times in fulfilling personal, social and professional obligations so as to respond to national aspirations.

PROGRAMME OFFERED

BSc. Nursing Degree Programme
(8 Semesters, 4 years including internship).

COURSE CURRICULUM

S. No	Semester	CourseCode	Course/Subject Title
1	First	ENGL 101	Communicative English
		ANAT 105	Applied Anatomy
		PHYS 110	Applied Physiology
		SOCI 115	Applied Sociology
		PSYC 120	Applied Psychology
		N-NF (I) 125	Nursing Foundation I including First Aid module
		SSCC (I) 130	Self-study/Co-curricular
2	Second	BIOC135	Applied Biochemistry
		NUTR140	Applied Nutrition and Dietetics
		N-NF (II)125	Nursing Foundation II including Health
		HNIT145	Health/Nursing Informatics & Technology
		SSCC(II)130	Self-study/Co-curricular

3	Third	MICR201	Applied Microbiology and Infection Control
		PHAR (I)205	Pharmacology I
		PATH (I)210	Pathology I
		N-AHN(I)215	Adult Health Nursing I with integrated pathophysiology including BCL Smodule
		SSCC (I)220	Self-study/Co-curricular
4	Fourth	PHAR (II)205	Pharmacology II including Fundamentals of prescribing module
		PATH (II)210	Pathology II and Genetics
		N-AHN(II)225	Adult Health Nursing II with integrated pathophysiology including Geriatric Nursing +
		PROF230	Professionalism, Professional Values and Ethics including bioethics
		SSCC(II)220	Self-study/Co-curricular
5	Fifth	N-CHN(I)301	Child Health Nursing I including Essential Newborn Care (ENBC),FBNC,IMNCI and PLS
		N-MHN(I) 305	Mental Health Nursing I
		N-COMH(I) 310	Community Health Nursing I including Environmental
		EDUC315	Educational Technology Nursing Education
		N-FORN320	Introduction to Forensic Nursing and Indian
		SSCC(I)325	Self-study/Co-curricular
6	Sixth	N-CHN(II) 301	Child Health Nursing II
		N-MHN(II)305	Mental Health Nursing II
		NMLE330	Nursing Management & Leadership
		N-MIDW(I)/OBGN335	Midwifery/Obstetrics and Gynecology (OBG) Nursing I including SBA module
		SSCC(II)325	Self-study/Co-curricular
7	Seventh	N-COMH(II)401	Community Health Nursing II
		NRST405	Nursing Research & Statistics
		N-MIDW(II)/OBGN410	Midwifery/ Obstetrics and Gynecology (OBG)Nursing II including Safe delivery
			Self-study/Co-curricular
8	Eight (Internship)	INTE415	Community Health Nursing- 4 Weeks
		INTE420	Adult Health Nursing - 6 Weeks
		INTE425	
		INTE430	Mental Health Nursing - 4 Weeks
		INTE435	Midwifery- 4 Weeks

INTAKE

Nursing College	General / Reserved	Self Supporting / Financing Seat	NRI / All India Quota	Total Seats
College of Nursing Rajouri	27	11	02	40

College of Nursing Kishtwar	30	08	02	40

ELIGIBILITY FOR ADMISSION

- The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought. The maximum age limit for admission shall be 35 years.
- Minimum Educational Qualification

Candidate with Science who have passed the qualifying 12th Standard examination (10+2) and must have obtained a minimum of 45% marks in Physics, Chemistry and Biology taken together and passed in English individually. In respect of candidates belonging to SC/ST/OBC the marks obtained in 3 core subjects shall be 40% instead of 45% for General category candidates.

Candidates are also eligible from State Open School recognized by State Government and National Institute of Open School (NIOS) recognized by Central Government having Science subjects and English only.

English is a compulsory subject in 10+2 for being eligible for admission to B.Sc.(Nursing).

- Colour blind candidates are eligible provided that Colour corrective contact lens and spectacles are worn by such candidates.
- Candidate shall be medically fit.
- Married candidates are also eligible for admission.
- Students shall be admitted once in a year.

***Note: This academic programme is open for only women candidates.**

PROCEDURE FOR ADMISSION

- Candidates shall be selected and allotted seats / College by Board of Professional Entrance Examinations, J&K (BOPEE) on the basis of Entrance test followed by counselling / allotment process to be conducted by BOPEE.
- Seats remaining unfilled, if any, after completion of admission process undertaken by BOPEE shall be filled by the University on self-supporting / self-financing basis strictly on merit in accordance with instructions of the Government as well as rules/ regulations of the University from time to time, provided the candidate is eligible and has applied separately to the University.

Note: Candidates are required to apply separately to BOPEE as and when notified by them and shall be required to undergo the Entrance Test/ counselling / allotment process of BOPEE

Fee Structure (In INR)

Category	1st Year		2 nd Year		3 rd Year		4 th Year	
	Sem-I	Sem-II	Sem-III	Sem-IV	Sem-V	Sem-VI	Sem-VII	Sem-VIII
General / Reserved	Rs 24200	Rs 24200	Rs 25200	Rs 25200	Rs 26200	Rs 26200	Rs 27200	Rs 27200
Self Supporting / Financing Seat	Rs 62500	Rs 62500	Rs 62500	Rs 62500	Rs 62500	Rs 62500	Rs 62500	Rs 62500
NRI / All India Quota	Rs 75000	Rs 75000	Rs 75000	Rs 75000	Rs 75000	Rs 75000	Rs 75000	Rs 75000

In addition, to the aforementioned fee, Clinical fee / Hospital Fee as applicable from time to time shall be payable

Research Programme

Ph. D. Programme

Research and higher learning are so deeply interwoven that it is difficult to separate one from the other. Universities are recognised by the creative pursuits of their faculty and the students. The University has initiated research programmes in all its Schools. Fortunately, these have taken off fast. Today, the University has more than 180 scholars enrolled in various Schools.

Arabic	Electronics & Comm. Engg.
Botany	Electrical Engineering
Biotechnology	Hospitality & Tourism
Computer Sciences	Information Technology
Civil Engineering	Islamic Studies
Computer Science Engineering	Management Studies
English	Mathematics
Environmental Sciences	Physics
Economics	Urdu
Education	Zoology

The candidate enrolled to Ph. D. programme shall pursue research as whole-time student of the University. No candidate can undertake employment or appear in any business / profession during the period of his study. .

Admission Procedure

Notification for admission to Ph. D. programme is issued by the University sometime in October / November after declaration of M. A./M. Sc./MBA/MCA/Engineering examination results or on a date as may be announced by the University.

Enrolment to Ph. D. programme shall be made through University Grants Commission. (Minimum Standard and Procedures for award of Ph.D. Degree) Regulations , 2022 issued vide UGC notification New Delhi, 7th November 2022.

Intake

The number of seats, specializations and supervisors available for guiding research in each subject shall be determined & fixed every year by Deans of respective Schools in consultation with the Dean Academic Affairs before Notification for Admission to Entrance Test is issued in print and electronic media including University website.

Submission of Application Form :

Application Form, complete in all respects, accompanied with following documents should be deposited in the office of the Head of the Department to which the candidate is seeking admission on or before the prescribed last date.

- i) Date of Birth Certificate (Matriculation Certificate).
- ii) Marks Cards & Certificates of the Qualifying examinations.
- iii) Provisional Certificate.
- iv) Permanent Resident Certificate.
- v) Character Certificate issued by the Head of the Institution last attended or a Gazetted Officer.
- vi) In case the candidate is seeking admission on the basis of M. Phil. Degree, a Certificate from the institute testifying that admission to M. Phil. programme was made through Entrance Test.

Selection List

Selection list will be notified by each Department on the University website and the Departmental Notice Board. Students should, therefore, maintain contact with the Department, in their own interest.

Fee for the Students admitted to Ph.D. Programme after Master's Programme

For Science scholars

First year	Rs 47,850/-
Subsequent years	Rs 33,250/-

For Non-Science scholars

First year	Rs 46,050/-
Subsequent years	Rs 30,250/-

Fee for the Students admitted to Ph.D. Programme after M.Phil. Programme

For Science scholars

First year	Rs 41,250/-
Subsequent years	Rs 33,250/-

For Non-Science scholars

First year	Rs 38,250/-
Subsequent years	Rs 30,250/-

Registration Fee (One Time)

1. Registration fee payable with the Application for registration. Rs. 8,500/-
(Refundable, if the application for registration is Rejected).

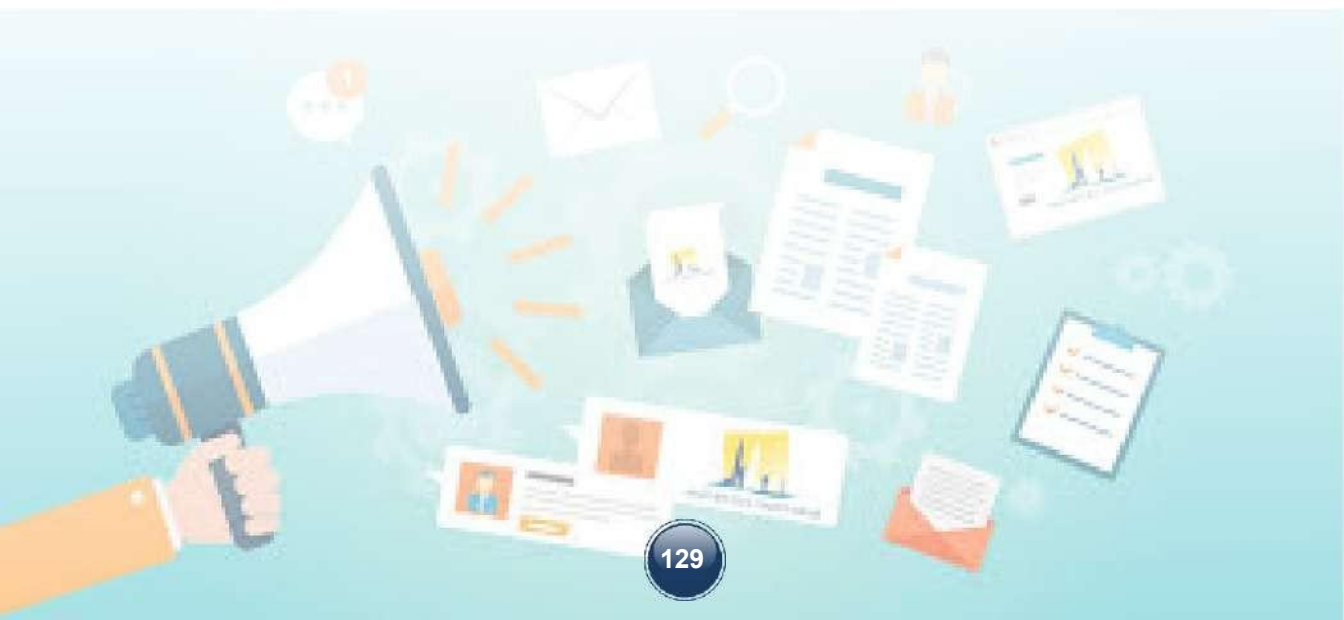

Examination Fee

1. Examination Fee to be paid at the time of submission of thesis.
On resubmission of thesis, fresh examination fee shall be paid. Rs. 5,000/-
2. Fee for supply of Examiners reports of Ph. D. thesis Rs. 5,000/-

Important Information, Instructions & Rules

Recent Salient achievements

1. During the last one year the university has got **21 Extramural Projects worth Rs.5.27 crores** which is a significant achievement by any University of BGSBU magnitude.
2. BGSB University is the only institution amongst all the J&K institutions to have been sanctioned the prestigious **FIST Grant** in life science last year by the Department of Science & technology, Govt. of India.
3. BGSBU is the only non-medical institution to have been sanctioned a Network Mission Project on 'Paediatrics Rare Disorders' where the institution's own share of grant is to the tune of **1.11 crores.**
4. The University offered three new academic programmes from this session i.e. PG Programme in Persian, Hindi and Gojri & Pahari in addition to a separate course on "Culture and Traditions of Jammu and Kashmir" which shall document and disseminate the rich cultural traditions and heritage of this region.
5. BGSBU has the distinction of establishing of Centre for Gojri, Pahari and Kashmiri languages as measure to conserve and promote the growth and the development of native regional languages and introducing Master programme in Gojri and Pahari. _
6. BGSBU initiated the historic step in the previous session to slash the fee to the tune of 50% in most of the academic programmes in order to make education more affordable and also accessible to all particularly those belonging to weaker sections of the society. Happily enough, this step has been further augmented by reducing the fee by another 10 % from this session in all the academic programmes except Ph.D. and Nursing to keep the fee structure easily affordable for all sections of society.
7. In order to ease the economic burden and to promote educational urge, the children of all the regular Class IV employees of Baba Ghulam Shah Badshah University will now be given concession in the tuition fee @ 50% up to two children admitted in any academic programme in BGSBU. However, this incentive will continue only if their wards clear all the papers in one go in the semester / year of the examination.
8. To mitigate the financial burden, a monthly financial assistance of Rupees one thousand only (Rs. 1000/-) in the form of scholarship will be given to the two eldest wards of the deceased employee of the University which shall continue till their schooling up to 12th standard.
9. To incentivize and increase the enrolment of the girl students in higher education, University has decided to give a waiver of 50% in the tuition fee to the top two rank holder girl students based on the admission merit list in all post graduate programmes from the forthcoming academic session.

Important Information

- The applicants are advised to go through the contents of the Admission Prospectus carefully and familiarize themselves with the relevant rules governing Admissions etc.
- Candidates desirous of applying for more than one course offered by the University are required to fill separate Application Form for each course.
- Application Forms incomplete in any respect or those received after the last date prescribed by the University are liable to be rejected without any intimation to the candidate. No correspondence shall be entertained in this regard.
- Candidates should make sure that they have written their name, address, category (if any), telephone number, e-mail ID etc, correctly.
- Candidates applying under any reserved category must attach relevant certificate that should conform to the latest order / SRO issued for the purpose by the Competent authority.
- Candidates are advised, in their own interest, to remain in touch with the University office / branch office / University website (www.bgsbu.ac.in) for information related to admission, selection list, etc.
- Rules of eligibility are followed strictly. All admissions are provisional. In case of any error in the processing / verification of certificates / documents etc. the University has the right to cancel such admission at any stage.
- Fee is to be paid in the form of Demand Draft drawn in favour of Registrar, BGSB University, Rajouri, payable at J&K Bank, BGSB University campus, Rajouri. Cash, cheques and postal orders will not be accepted. **Documents will be returned and Fee will be refunded as per UGC norms.**
- **Refund of Admission fee (if any) will be as per UGC Guidelines / Regulations.**
- The list of provisionally selected candidates shall be notified on the Notice Board of the College / concerned Department and also on the University website www.bgsbu.ac.in. The datelines for deposition of certificates, dues etc are adhered to strictly. It is the responsibility of the candidate to keep in touch with the University office / branch offices / website regarding cut off dates and other information.
- If a selected candidate fails to produce original certificates or does not deposit the required fee within the specified period of time, his / her selection shall stand cancelled and the seat(s) vacated shall be allotted to the candidate(s) next in merit.
- At the time of admission the candidate has to give an undertaking on stamped paper of the value of Rs. 5 regarding the intervening period, if any, to the effect that he / she was not working in any Government or private sector or had not joined any other institution / course of study after the declaration of the result of the qualifying examination. In case they are in employment they shall have to produce permission letter of the employer.
- The candidates selected for admission shall have to deposit all documents pertaining to the qualifying examination in original in the office of the Principal / Director / Head of the concerned department. Registration section of the University shall return the said documents after verification.
- In case it is found at any stage after admission that the candidate has made any false or incorrect statement or used fraudulent means for seeking admission or doesn't fulfill the eligibility requirement, the admission shall be cancelled.
- No employee of any public or private sector organization shall be admitted unless he / she is on authorized leave and has the necessary permission of the employer.
- In case of any discrepancy / dispute, the Statutes / Regulations governing the relevant academic programme of the University shall be followed.

- At the time of admission the candidate has to give an undertaking on stamped paper of the value of Rs. 5 regarding the intervening period, if any, to the effect that he / she was not working in any Government or private sector or had not joined any other institution / course of study after the declaration of the result of the qualifying examination. - No employee of any public or private sector organization shall be admitted unless he / she is on authorized leave and has the necessary permission of the employer.
- In case of any discrepancy / dispute, the Statutes / Regulations governing the relevant academic programme of the University shall be followed.
- If any dispute arises regarding admission to any course an appeal can be made by the aggrieved candidate to the Principal / Head of the concerned Department. All appeals will be disposed off by the Appellate Committee chaired by Vice Chancellor.
- Legal dispute, if any, shall be settled by the courts within the jurisdiction of Rajouri.
- To generate resources for augmenting academic and ancillary infrastructure facilities and to meet social obligations, the University offers a limited number of Self-Supporting seats in various programmes. These shall be filled as per relevant Statutes / Regulations governing admissions. However, these shall be deemed to be over and above the normal number of seats. A candidate admitted under this category shall have to remit the prescribed amount along with the fees/charges prescribed for the course.
- **Self-Supporting fee is required to be paid in one go at the time of Admission along with Semester fee**
- **A candidate has to submit separate form for each programme.**
- **Hostel Brochure can be procured from the office of Dean of Students.**
- ⑥ **Admission will be conducted through two modes. Primarily, the seats will be filled through the Country-wide Common University Entrance Test on the basis of merit secured by the candidates in CUET, conducted by National Testing Agency. In case of leftover vacant seats, not filled through CUET, selection shall be made on the basis of the marks secured by the candidate in qualifying examinations.**
- **The advertisement for direct admission to various UG and PG programmes shall be put up in leading newspaper of Jammu and Kashmir and shall also be available on University Website. The candidates are advised to visit the University website for various notifications.**

Disclaimer : The information contained in the Admission Prospectus is subject to change from time to time. Candidates are advised to visit website www.bgsbu.ac.in for latest notifications. Errors and omissions excepted.

What constitutes Ragging?

Ragging constitutes any one or more of the following acts:

- a. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;
- b. indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;
- c. asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
- d. any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
- e. exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students;
- f. any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;
- g. any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;
- h. any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student ;
- i. any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

Administrative action in the event of ragging

The institution shall punish a student found guilty of ragging after following the procedure and in the manner prescribed herein under:

- A. The Anti-Ragging Committee of the institution shall take an appropriate decision, in regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging established in the recommendations of the Anti-Ragging Squad.
- B. The Anti-Ragging Committee may, depending on the nature and gravity of the guilt established by the Anti-Ragging Squad, award, to those found guilty, one or more of the following punishments, namely;
 1. Suspension from attending classes and academic privileges.
 2. Withholding / withdrawing scholarship / fellowship and other benefits.
 3. Debarring from appearing in any test / examination or other evaluation process.
 4. Withholding results.
 5. Debarring from representing the institution in any regional, national or international meet, tournament youth festival, etc.

6. Suspension / expulsion from the hostel.
7. Cancellation of admission.
8. Rustication from the institution for period ranging from one to eight semesters.
9. Expulsion from the institution and consequent debarring from admission to any other institution for a specified period.

Provided that where the persons committing or abetting the act of ragging are not identified, the Institution shall resort to collective punishment.
