

BGSBU organizes webinar on NEP 2020

March 02, 2022

Media Cell, Baba Ghulam Shah Badshah University organized a national webinar on 'National Education Policy 2020: Transforming India's Education System'. The webinar was organized with a view to get a keen insight of NEP 2020; its various aspects, changes and recommendations for the whole education system of India. Prof. Akbar Masood, Vice Chancellor, BGSB university said that the new education policy, which came almost after three decades (34 years) of last education policy (NPE, 1986) will be a game changer in transforming the Education system of the country. Prof. Akbar mentioned that the NEP 2020 aims to provide high quality equitable and inclusive education. It provides guidelines for the education of all so that all, regardless of their diverse learning needs and background, can be successful in developing and realizing the full human potential, he said.

Prof. Abhay Kumar, Vice Chancellor, Pratap University, Jaipur was the keynote speaker. In his address Prof. Kumar highlighted the different aspects of the theme in the context of NEP 2020 and said that interventions are required in multiple dimensions including curriculum and pedagogy for realizing the real spirit of NEP 2020. He said that NEP-2020 proposes to revamp all aspects of the education sector, including its regulation and governance, and create a new system that is aligned with the goals of 21st century education.

Dr. Danish Iqbal Raina, media Advisor of the University presented the welcome address and introduced the theme of the webinar. Faculty members and officers of the University attended the webinar.
