skills should be more focused instead of just completing the syllabus.

Suggestions:

Relevance of curriculum in your job:

Sabha Majid

Suggestions:

Relevance of curriculum in your job:

The syllabus is more basic, there should be combination of basic & advanced syllabus.

Need any change in curriculum and syllabi?

Modern Tech Trends should be encouraged or introduced like AI.

There should be seminars, to introduce students about placements & jobs.

Improvements in teaching and learning Process:

There should be more Lab activity, so students could become more skillful.

Code should be done on computer not paper.

Any other suggestion

There should be computer systems in Lab.
