WORLD EARTH DAY

"SAVE EARTH PLANT A SAPLING"

"PROTECT EARTH FROM GLOBAL WARMING"

On the Occasion of '**World Earth Day**' (on 22nd April 2018) the School of Education, Baba Ghulam Shah Badshah University planned to celebrate the Day with some action work. Based on the theme '**TAKE IT UP FOR EARTH DAY**'. It was aimed to sensitize the issue of environment protection in the young generation. Today it is a grave concern that human had intervened a lot in the nature because of its greed for development and luxury. Due to all this technology, industrialization the nature cycle has got disturbed, recent example of nature ferocity is that of crop failure in India. **Barack Obama** recently said "**the issue of environment is of immense importance, more than my Presidency**". To make this occasion really worthy of action all students of M.Ed & B.Ed resolute that each students will bring a plant and plant it. **On 22nd April 2018**, 30 students were present in their full strength; all were present. The programme was started by **Dr.G.M.Malik, Dean & Head School of Education**, and **Coordinator Ms. Rafia Khan** by planting a seedling in the SOE lawn with other faculty members. Later all the students planted and watered the newly anchored plants in the soil. All the students also taken the pledge to protect and water regularly to nurture the plant in a big tree.

The occasion was graced by **Dr. Azad Ahmad Andrabi, Assistant Professor**, School of Education. He discusses the immediate need of afforestation to reduce the green house effect of excess CO₂ in the environment. Other faculty members also contributed in the occasion. It was a great day to showcase environmental education, highlight efforts to green the University and engage the whole student community in making a difference.
