BGSBU organizes webinar on 'Leading Vs Managing'

EARLY TIMES REPORT

RAJOURI, Apr 2: School of Management Studies, Baba Ghulam Shah Badshah University organized a webinar on 'Leading Vs Managing'. Prof. Neharika Vohra, Vice Chancellor, Delhi Skill and Entrepreneurship University delivered the lecture on Leading Vs Managing. Prof. Akbar

Masood, Vice Chancellor, BGSBU in his message said that leadership is the creation of positive change for the empowerment of people. Prof. Akbar said that leadership helps us navigate crises and rebuild communities in moments of crisis. Prof. Akbar applauded the organizing team for hosting the webinar. In her address, Prof. Neharika Vohra said the leadership challenges are complex and there is no one right answer. She said that the leader does not impose a solution; the final solution emerges from the dialogue of all the parties. All the parties learn from one another – and learn more about the situation in the process. She said that everyone must adapt their perspective in order for a solution to emerge. Prof Iqbal Parwez, Dean School of Management studies thanked Prof Neharika for delivering the lecture. In his message he said that leadership is centered on a vision to guide change. Faculty members, research scholars and students from BGSBU and other institutions of the country attended the webinar. Dr Danish Iqbal Raina, Assistant Professor, delivered the welcome address and conducted the proceedings of the webinar. Dr Parvaiz Abdullah, Assistant Professor, proposed the vote of thanks

**Report
On
“Code of Conduct for Teachers”**

Department of Information Technology envisions that Teachers and the students have a fundamental sense of direction towards the morally upright and to a good value system that upholds human dignity and to adopt the best values and good manners in everything. The core element in any educational institution is the teaching staff. Let them therefore always bear in mind that the reputation of the institution depends on their quality, efficiency and the spirit of co-operation. In this context the Department organizes special programme for teachers and programmer“Code of Conduct for Teachers “was organized on 13th of Aug, 2020. Virtually through Google Meet platform.

The programme started at 10:00 am and was attended by all the faculty members. It started with prayer and meditation to make the atmosphere divine and calm.

Head Department Dr. Tasleem Arif gave a note on the topic Teaching as a “Pooja“ that reflects the importance and holiness of teaching and how each teacher should consider teaching as a sacred ritual done for the students. Dr. Tasleem elaborated on the Code of Conduct which everyone should follow in the Department/Institution to keep the dignity and reputation of the institution. He remarked that the Code of Conduct should be evident even in the way we maintain our attire.

After the inspirational session, the meeting was ended with greater determination for service as a teacher and overall, as a human being.

Report

For bright carries and success department of physics Baba Ghulam Shah Badshah University organized a lecture on 20 March, 2021. Speaking on the occasion, Chief Guest, Prof G M Malik delivered a talk on the topic "work with positive ethics". He said, Work ethic is a value based on hard work and diligence. It is also a belief in the moral benefit of work and its ability to enhance character. Work ethics have been the backbone of success for long time. By taking the time to develop great work ethics whether one is in the classroom or the workplace, success will be there for you. Combining work ethics with professional skills invites success to a celebration, and that celebration is all about you. work ethic of any kind not only includes how you feel about your place of employment or position but also how you perform the duties of your job

He said Employers who emphasize a positive work ethic must be absolute in maintaining the environment for it to thrive. This means a business can allow no room for moral ambiguity, rationalization or ego in its positive work ethics model. Otherwise the strategy may fail.

Dr Feroz Mir (Head, Deptt of Physics BGSBU) in his welcome address gave an overview about all the activities organized by the department and its achievements. He emphasized on strong and positive ethics. About 46 people including students, scholars and faculty members attended this lecture.
