Every year on March 8, International community observes International Women's Day. The purpose behind celebrating this day is to promote peace with women's rights. The theme for International Women's Day this year is *"Choose To Challenge"*. It aims to call our gender inequality and celebrate women's achievements. It seeks to spread awareness about the importance of choice. In the words of Aung San Suu Kyi *"You should never let your fears prevent you from doing what you know is right"*.

Baba Ghulam Shah Badshah University is sincere about safety and security of its woman folk. Accordingly, we have created Women Cell and established Internal Complaints Committee to redress the complaints received from women associated with the University. Any aggrieved woman can approach the Cell / Committee and get grievances redressed. The proceedings shall be kept strictly confidential.

On the occasion of International Women's Day, my good wishes to women folk in general and the employees / students of Baba Ghulam Shah Badshah University in particular.
