ORDER

The Department of Electronics and Communication Engineering is going to conduct GATE coaching classes for the students of the two batches 2014 and 2015. In the regard our two experienced faculty members, Mr. Haider Mehraj and Mr. Arshad Ahmad will be conducting their classes from 1<sup>st</sup> October, 2016 onwards.

All the students are directed to attend the coaching classes, as the coaching is aimed at providing the students with different job opportunities in both, public and private sectors.

## REPORT

The Department of Electronics & Communication Engineering, School of Engineering & Technology Baba Ghulam Shah Badshah University Rajouri conducted the GATE Coaching Classes for two batches simultaneously-Batch 2014 & 2015, during the academic year 2016-17.

The purpose of the same was to prepare 2<sup>nd</sup> year and 3<sup>rd</sup> year students for GATE exam in Electronics and Communication Engineering (EC). Since GATE score is used by several public sector undertakings for recruiting graduate engineers in entry level positions and scholarships in M.E/M.Tech. So the focus of the coaching was to prepare students to do higher studies like M.E/M.Tech after their graduation.

Also GATE examination tests the comprehensive understanding of various undergraduate subjects in engineering. The purpose was to develop the basic concepts of the students and train them to solve high standard GATE problems in short span of time.

This GATE coaching covered all the non-technical subjects like general aptitude, reasoning and all the technical subjects like basic electrical, basic and advance electronics, digital electronics, and communication etc.

Coaching was provided by the experienced faculty from inside as well as outside the department.

**Subject:** Proposal for starting free GATE coaching classes

Sir,

With great regards and high esteem we are pleased to inform your good self that the department is going to take initiative of starting GATE coaching classes in computer science & engineering. The syllabus comprising of various subjects will be taught by faculty members with expertise in the subject. The letter regarding the acknowledgement was already sent to the concerned faculty members for their interest and is attached herewith for your kind reference.

**Objective:** The main objective of the proposal is to prepare candidates for appearing in the GATE 2017. So that sufficient number of candidates becomes available for selection from the University adding laurels to the department and university as well

**Eligibility:** Total intake capacity will be 50 students out of which 50% will be from the same branch and rest from other branches. However the students will be charged 100 rupees which will be utilized by department for stationary purchase

### **Organization of Coaching Classes**

- i. **Grouping of Students:** Coaching may be organized by dividing the candidates into various groups, each consisting of not more than 25 candidates in each paper, and each group may be placed under the charge of one faculty member so that the responsibility could be fixed and the faculty members are in a position to develop rapport with the assigned group and monitor the progress of the students.

- ii. **Deployment of Faculty Members:** The University may engage the services of motivated teachers in service as names already mentioned in the list attached herewith.
  - iii. **Infrastructure:** The department will utilize adequate furniture, classrooms, library facilities and other necessary infrastructure from the college for conducting coaching classes.

In this regard ,it is requested to kindly grant the permission so that steps for conducting the same smoothly are taken and concerned teachers are informed well in advance .

Thanking you in anticipation.

### REPORT

The Department of Electronics & Communication Engineering, School of Engineering & Technology Baba Ghulam Shah Badshah University Rajouri conducted the GATE Coaching Classes for two batches simultaneously-Batch 2015 & 2016, during the academic year 2017-18. The purpose of the same was to prepare 2<sup>nd</sup> year and 3<sup>rd</sup> year students for GATE exam in Electronics and Communication Engineering (EC). The focus is on both the depth of understanding of the concepts, and innovative problem solving techniques.

Since GATE score is used by several public sector undertakings for recruiting graduate engineers in entry level positions and scholarships in M.E/M.Tech. So the focus of the coaching was to prepare students for competitive exams like GATE.

Syllabus covered in GATE coaching includes the non-technical subjects like general aptitude, reasoning and all the technical subjects like basic electrical, basic and advance electronics, digital electronics, and communication etc.

Coaching was provided by the experienced faculty from inside as well as outside the department.

**Subject:** Proposal for starting free GATE-2018 coaching classes

Sir,

With great regards and high esteem we are pleased to inform your good self that the department is going to take initiative of starting GATE coaching classes in computer science & engineering. The syllabus comprising of various subjects will be taught by faculty members with expertise in the subject. The letter regarding the acknowledgement was already sent to the concerned faculty members for their interest and is attached herewith for your kind reference.

**Objective:** The main objective of the proposal is to prepare candidates for appearing in the GATE 2018. So that sufficient number of candidates becomes available for selection from the University adding laurels to the department and university as well

**Eligibility:** Total intake capacity will be 80 students out of which 50% will be from the same branch and rest from other branches. However the students will be charged 100 rupees which will be utilized by department for stationary purchase

### **Organization of Coaching Classes**

- i. **Grouping of Students:** Coaching may be organized by dividing the candidates into various groups, each consisting of not more than 25 candidates in each paper, and each group may be placed under the charge of one faculty member so that the responsibility could be fixed and the faculty members are in a position to develop rapport with the assigned group and monitor the progress of the students.

### Report on GATE -2018

The Department of Computer Science and Engineering has successfully conducted the GATE coaching for the students of CSE 2014 and 2015 batch. The GATE Coaching was taken by following internal faculties of CSE Department:

1. Mr. Khalil Ahmed (A.P, DoCSE)
2. Mr. Amit Dogra (A.P, DoCSE)
3. Mrs. Rukhsana Thakur (Lecturer, DoCSE)
4. Mr. Sparsh Sharma (A.P, DoCSE)
5. Mr. Prabal Verma (A.P, DoCSE)
6. Mr. Aditya Gupta (A.P, DoCSE)

The schedule for the said coaching was 5 p.m to 6 p.m. from Monday to Friday and full working Saturday. Moreover, total of 70 students of final and pre-final year has actively participated in this coaching. The various subjects covered during coaching are Design and Analysis of Algorithm, Computer Networks, DBMS, Theory of Automata, Compiler, Data Structures etc. This coaching has greatly benefited the students in clearing their technical concepts as well as in GATE examination
