

Placement Report

2013-14

About Training and Placement Cell.

The Training and Placement Cell is an integral part of Baba Ghulam Shah Badshah University. The University has provided the most modernized infrastructure for effective functioning of the Cell. Training activities are organized throughout the year in an effort to prepare the aspiring students for the campus selection programmes. The Training and Placement Cell is constantly working to help the students to achieve their ultimate goal of getting a good and respectable job.

The Training and Placement cell organizes;

- ✚ Seminars,
- ✚ Group Discussions,
- ✚ Mock-interviews,
- ✚ Face-to-Face Interactions with Industry experts,
- ✚ Personality Development Workshops,
- ✚ Workshops on Resume Writing Skills and Ways to Crack Interviews,
- ✚ Aptitude Tests,

to bridge the gap between theoretical aspects of students learning and the real life requirements of the industries. A number of organizations are invited for delivering seminar lectures and providing campus placements to our students. The results are quite encouraging.

At BGSB University we believe in grooming the personality of the students along with the academic inputs. To ensure that this happens without failure Training and Placement Cell invites Professionals and Experts in various fields to deliver seminars, lectures and group discussions to give students a chance to improve their personality and communication skills, team work and confidence. The students are kept upgraded with the changes in the contemporary industrial scenario by means of regular visits to industries and corporate houses. The cell is sensitized to function all through the year towards training and generating placement opportunities for the students. The programmes organized by the Training and Placement Cell make the students to learn most modern techniques and develop confidence to become successful professionals.

The appropriate placement of its products earns the university trust and confidence of its students and community at large. Conscious of its obligation towards its students the university envisioned the opening up of The Training and Placement Cell with full time Placement Coordinator who looks after the working of the cell, organizes training, advises and assists the students in making informed career choices from the diverse career options that liberalization of economy and globalization have thrown up.

Reputed Corporate houses and Financial Institutes across the country visit our University regularly for the campus recruitment. Training and Placement Cell handles all aspect of campus placements and coordinates quite well with the corporate sector. The Cell is well equipped with excellent infrastructure to support every stage of placement process like arrangement for pre-placement talks, interviews, group discussions etc.

Following Facilities are made available for various activities involved in placement process:

- ✚ Auditorium to conduct pre placement talks and company presentations.
- ✚ Conference Hall for Group Discussions.
- ✚ Well-furnished, fully computerized office for interviews.
- ✚ Hospitality at University Guest house both at Jammu and Rajouri.

The Training and Placement Cell also organizes Industrial visits and arranges industrial training, project training and summer internship for the students. All these activities enhance the professional ability of the students and enable them to acquire jobs with the best employers in the professional world. Through these activities, students gain practical knowledge and exposure to industrial environment.

Training and Placement Cell and the Other Departments:

To make the working of the Training and Placement Cell more effective, all the departments of the university have made departmental Faculty Coordinators. Other than this two students from each department play the role of student coordinator.

These Placement coordinators identify the specific needs of their department and work in coordination with the Training and Placement Cell to cater to those needs.

Placement Coordinators of Departments:

Placement Coordinator for School of Management Studies

- Mr. Danish Raina
